COUNTY DEPARTMENT AGENDA REQUEST

Department/Division: Road Dept.

Department Head: Zack Taylor

Presenter, if needed: Phil Mallon

Preferred Meeting Date: Thursday, August 14, 2008

Wording for the Agenda:

Consideration of a proposed Resolution and Intergovernmental Agreement with Clayton County for repair and improvements to the Helmer Road Bridge over Camp Creek.

Background/History/Details:

The Helmer Road Bridge requires replacement of its guardrail, and reconstruction and stabilization of both the east and west abutments.
Clayton County contacted Fayette County for assistance. Clayton is taking the lead on this project and has received three quotes and plans to award work to Sunbelt Structures Inc., as low bidder, for $54,066.25. Under the proposed Intergovernmental Agreement the cost would be split 50/50 between Fayette and Clayton County.

Earlier this year the Fayette County Road Department solicited bids for the guardrail replacement but the scope of work did not meet GDOT standards and specifications nor include the reconstruction and stabilization work.

What action are you seeking from the Board of Commissioners?

Approval of the Resolution and Intergovernmental Agreement with Clayton County for repair and improvements to the Helmer Road Bridge over Camp Creek.

If this item requires funding, please describe:

The cost to Fayette County for this project should be $27,033.13. The project was not included in either the FY '08 or '09 budget; the source of funding must be determined and can hopefully be found within the approved current budget for this department.
