Background/History/Details:

In January, 2008, Mr. Cole Harp contacted Fayette County about working in Land Lot 193 of the 4th district in order to complete his Eagle Scout Project. His project included 1) Cleaning trash along Whitewater Creek, 2) Locating and marking with Plexiglas signs unique plants and trees, 3) Building and placing Eastern Bluebird boxes, 4) Uprooting Mahonia (A plant that is not native to Georgia and tends to overrun an area) and 5) Planting approximately 35 native Georgia plants. Land Lot 193 of the 4th district is in the proximity of Carroll's Way and Whitewater Creek and is owned by Fayette County. The County acquired this site as a result of floodplain issues. Engineering reviewed the request and approved all components of the plan. On February 6, 2008, the BOC granted permission to Mr. Harp to perform the work as requested. Mr. Harp has now completed his project.
