COUNTY DEPARTMENT AGENDA REQUEST

Department/Division: Water System

Department Head: Tony Parrott

Presenter, if needed: Tony Parrott

Preferred Meeting Date: Wednesday, May 7, 2008

Wording for the Agenda:

Approval of Water Committee's request to order an additional 250 Water Saver Kits to be provided free to Fayette County Water System customers in homes built prior to 1994.

Background/History/Details:

The Board of Commissioners approved the Water System purchasing 500 kits in January and the kits were available by mid-February. Since that time, 325 have been distributed. The cost for the additional kits is approximately $1,750. Originally, the estimate of eligible homes in the County was about 13,000, though many homeowners had already likely updated their toilets. The Water System will promote the kits once again to continue to get the word out to homeowners.

The North Metropolitan North Georgia Planning District (District) proposed these water saving kits. Providing them helps in meeting the governor's 10% reduction, as well as water conservation. Customers can pick up a kit at the Water System office on McDonough Road or Peachtree City City Hall. Niagara Conservation has prepared these kits for purchase by communities in North Georgia due to the drought situation. They have worked with the District to make them available at a discounted rate of $6.95 each.

What action are you seeking from the Board of Commissioners?

Approval to purchase an additional 250 Water Saver Kits at a cost of approximately $1,750.

If this item requires funding, please describe:

Funding will be provided through the water revenue collected for usage above 19,999 gallons.
