COUNTY DEPARTMENT AGENDA REQUEST

Department/Division: Road Department

Department Head: Zack Taylor

Presenter, if needed: Zack Taylor

Preferred Meeting Date: Wednesday, May 7, 2008

Wording for the Agenda:

Award of staff's recommendation that a contract be awarded to the Miller Group, Inc. in the amount of $672,567.50 for full depth reclamation work on six county roads, to be funded with Special Local Option Sales Tax funds.

Background/History/Details:

The scope of work was prepared by Mallett Consulting, Inc. which includes reclamation of six roads: 1. Butterfield Lane; 2. Lee's Overlook; 3. Mockingbird Trail; 4. Old Ivey; 5. Plantation Drive (South); 6. Weldon Road. Five bids were received.

Full Depth Reclamation involves pulverizing existing road way (old asphalt, GAB) and adding cement and water to the pulverized mix. The machine then lays down pulverized mix similar to an asphalt paving machine. The material is then bladed and rolled and allowed to set up overnight. The new surface can then be laid down the next day on the new, improved hardened base. Advantages of FDR include 100% reuse of material, an improved road base, and lower costs on roads requiring more than 20 % patch work.
