Presenter, if needed: Tim Jones/ Ted Burgess

Preferred Meeting Date: Wednesday, May 7, 2008

Wording for the Agenda:

Approval to allow items to be auctioned at the County auction to be held on May 17. These items of equipment and vehicles have been determined to be of no further use to the County government and are considered surplus property at this time.

Background/History/Details:

Every one to two years the County holds an auction to dispose of "surplus" equipment and other items that are either no longer serviceable or no longer of use to the County. These items include all types of vehicles, computer parts, furniture, office equipment and other items. The County typically invites our municipalities and the Board of Education to participate in the auction to make it larger, which encourages greater attendance. This year, the City of Peachtree City, the Town of Tyrone, and Peachtree City Airport Authority are participating.

The county hires a professional auction company to conduct the auction. Historically, the auctions have been very successful.
