COUNTY DEPARTMENT AGENDA REQUEST

Department/Division: Fayette County Water System

Department Head: Tony Parrott

Presenter, if needed: Tony Parrott

Preferred Meeting Date: February 12, 2009

Wording for the Agenda:

Consideration of the Water Committee's recommendation to award construction mitigation services for the Lake McIntosh Reservoir Project to Eco-South, Inc. for a total cost of $583,494. for all components.

Background/History/Details:

The Lake McIntosh Reservoir Project requires extensive mitigation work. Eco-South is an experienced company which has been approved by the Army Corp of Engineers to perform mitigation services. The Scope of the Work includes the following components:A) restoration of 1,011 LF of existing channel along a tributary of Pigeon Creek; B) restoration of 2,053 LF of existing channel along a tributary of Pigeon Creek and hydrologic and vegetative restoration of 22.8 acres of wetlands. Work on the restored stream channels and wetlands will require excavation, structure placement and stabilization.

What action are you seeking from the Board of Commissioners?

Award construction mitigation services to Eco-South, Inc. in the total amount of $583,494. for the Lake McIntosh Reservoir Project and approval for the Chairman of the Board of Commissioners to sign the required documents.

If this item requires funding, please describe:

Funding will be provided from the Lake McIntosh funds and the Renewal & Extension fund in the Water System budget.
