COUNTY DEPARTMENT AGENDA REQUEST

Department/Division: Animal Control

Department Head: Miguel Abi-hassan

Presenter, if needed: Miguel Abi-hassan

Preferred Meeting Date: Wednesday, March 4, 2009

Wording for the Agenda:

Presentation of information from the County's Animal Control Director concerning the tethering of animals in Fayette County.

Background/History/Details:

The Board of Commissioners has heard from a number of citizens concerned about the tethering of animals. At their last meeting, the Board asked that information be gathered so the Board can begin a discussion of this topic. After hearing from the County's Animal Control Director, the Board will decide whether or not to gather additional information from both sides of the issue, whether or not to have an ordinance drafted for discussion at a future meeting, or whether to take any action at all. This will be the first discussion of this topic by the Board of Commissioners. The Workshop is open to the public but workshop meetings are not public hearings and do not provide a time for the public to comment on any topic discussed.

What action are you seeking from the Board of Commissioners?

Determine if there is any interest in preparing an ordinance containing language regulating the tethering of animals.

If this item requires funding, please describe:
