COUNTY DEPARTMENT AGENDA REQUEST

Department/Division: Fire & Emergency Services

Department Head: M. Allen McCullough

Presenter, if needed: David Scarbrough

Preferred Meeting Date: Wednesday, March 4, 2009

Wording for the Agenda:

Update on U.S. Postal Service's plans to change two zip code areas in North Fayette County.

Background/History/Details:

Residents and businesses in Fayette County receive mail delivery from nine post offices, four of which are not within the boundaries of Fayette County. Postal delivery areas are determined by Postal Service criteria and do not necessarily conform to county or city boundaries. Citizens in areas of north Fayette County with mail delivered by the Riverdale and Fairburn Post Offices have worked to convince the USPS to change their delivery to the Fayetteville PO. USPS agreed to make the change but has required Fayette County to change the name of several streets with names that already exist in the Fayetteville 30214 delivery area. Staff will update the Board on the status of that process and any recent communications from the USPS.
