COUNTY DEPARTMENT AGENDA REQUEST

Department:	Public Works / SPLOST	Presenter(s):	Phil Mallon
Meeting Date:	Wednesday, October 7, 2009	Type of Request:	New Business

Wording for the Agenda:

Approval of staff's recommendation to award construction services for Special Purpose Local Option Sales Tax (SPLOST) intersection improvements at Kenwood and New Hope Roads (Project No. R-6) to B & J Paving for the amount of $177,309.15.

Background/History/Details:

This project is one of six intersection projects initiated in CY 2009. Mallett Consulting Inc., the project manager, obtained seven quotes for the work. B & J Paving provided the low bid for the work. This contractor has not worked for the County in the past but Mallett checked their references and feels they are capable of performing the work.

Improvements at this intersection include realigning Kenwood Road to provide a more perpendicular intersection and adding turn lanes on both roads.

The recommended award amount reflects the sum of the base bid ($158,059.15), allowance for removal of unsuitable materials ($6,750), and an allowance for special conditions ($12,500).

The bid tabulation and award recommendation from Mallet Consulting is provided as back-up material for this agenda request.
