COUNTY DEPARTMENT AGENDA REQUEST

Department:	Solid Waste	Presenter(s):	Vanessa Birrell
Meeting Date:	Thursday, March 11, 2010	Type of Request:	Consent

Wording for the Agenda:

Approval of staff's request to award bid # 736 to Martin Edwards & Associates, Inc. for grinding vegetative debris at the Fayette County Transfer Station, in the amount of $ 39,500 and a price per cubic yard of $1.20.

Background/History/Details:

At least annually we must grind the vegetative debris collected at the Transfer Station's yard waste area. On February 1, 2010 bids were posted on the Fayette County web site and distributed resulting in seven responses. In excess of 25,000 cubic yards of vegetative debris has accumulated and we receive an additional 100 - 150 cubic yards daily. The accumulated vegetative debris will be ground into mulch well suited for gardening and yard work available to Fayette County citizens at no charge.

Martin Edwards & Associates Inc was the apparent low bidder with a lump sum cost of $39,500.00 and a price per cubic yard of $1.20. Stormwater Management personnel recommends acceptance of this bid and will monitor the operation.

Lump sum cost - The initial work phase will be grinding all the stock-piled vegetative debris at the 1st Manassas Road Transfer Station at the close of business on Thursday, February 4, 2010.

Per cubic yard cost - grinding all additional stock-piled vegetative debris after close of business on Thursday, February 4, 2010, and on an ongoing basis. Prior to any secondary grinding, the successful contractor/company and Fayette County must agree on the volume in cubic yards of additional grinding work to be performed in writing.
