COUNTY DEPARTMENT AGENDA REQUEST

Department:	Road	Presenter(s):	Andy Adams
Meeting Date:	Thursday, April 22, 2010	Type of Request:	Consent

Wording for the Agenda:

Approval of staff's recommendation to award Bid #743 to Seaco, Inc. as the primary vendor and to Blackledge Emulsions as the secondary vendor for an annual contract for CRS-2h Tack Emulsion to be used in roadway resurfacing projects.

Background/History/Details:

The Road Department has reviewed the CRS-2h (a.k.a. Tack) bids opened on March 18, 2010 in response to Bid #743. Of the two bids received, the low bidder indicated an unwillingness to supply a tanker truck as specified in the bid. The higher cost of the second vendor is made up in avoided costs of having to make 20+ trips to Douglasville, Georgia to fill up our tack distributor truck through the paving season. Therefore, I recommend an annual contract be awarded to Seaco, Inc. as primary bidder for CRS-2h Liquid Asphalt Emulsion and to Blackledge Emulsion, Inc. as secondary vendor.
