Sealed bids were requested for the subject item. A bid tabulation sheet is attached for your review.

Companies were requested to bid the hourly rate for hauling services based on the Georgia Department of Transportation diesel fuel price index. In the attached recommendation from Andy Adams, the low bidder, Pittstop Enterprises, is recommended as the primary supplier at $57.50 per hour for each of the price index categories. Andy also requested a secondary supplier, Liberty Truck Hauling, LLC, as the second lowest bidder. I concur with Andy's recommendation. The total not to exceed amount for Hauling Services is $115,000 as per the attached email from Andy Adams.

If this recommendation meets your approval, please place this item on the next available consent agenda. If any additional information is needed, please let me know.
