Wording for the Agenda:

Approval of staff's recommendation to declare six assets which no longer serve County purposes as surplus property and to sell these items utilizing the GovDeals internet website.

Background/History/Details:

Staff recommends five vehicles be declared surplus property in order for them to be sold. The five vehicles are as follows:

* 2003 Ford Crown Victoria- VIN which was approved for replacement by the Board of Commissioners on May 28, 2009.
* 2004 Ford Crown Victoria- VIN which was approved for replacement by the Board of Commissioners on May 28, 2009.
* 2004 Ford Crown Victoria- VIN which was approved for replacement by the Board of Commissioners on May 28, 2009.
* 2005 Ford Crown Victoria- VIN which was approved for replacement by the Board of Commissioners on May 14, 2009.

The fifth vehicle, a 2001 Mercury Cougar bearing VIN is also recommended to be declared a surplus vehicle. Records do not indicate the Board has taken any previous action on the vehicle, but Fleet Maintenance states due to the type of vehicle, as well as its condition and maintenance history, the vehicle is not suitable for use by any County department. The Sheriff's Office has advised they have no intentions of replacing this vehicle, for this reason it has not been brought before the BOC before now.

A 2000 Grasshopper Lawn Mower is also requested to be declared surplus property.

What action are you seeking from the Board of Commissioners?

Approval of staff's recommendation to declare five vehicles and one lawn mower which no longer serve County purposes as surplus property and to sell both vehicles utilizing the GovDeals internet website. According to its internet site, "GovDeals provides services to various government agencies that allow them to sell surplus and confiscated items via the internet."
