COUNTY DEPARTMENT AGENDA REQUEST

Department:	Public Works/SPLOST	Presenter(s):	Phil Mallon
Meeting Date:	Thursday, November 12, 2009	Type of Request:	New Business

Wording for the Agenda:

Approval of staff's recommendation to award services for Special Purpose Local Option Sales Tax (SPLOST) intersection improvements at Goza and Antioch Roads (Project No. I-13) to Piedmont Paving for the amount of $540,000.00.

Background/History/Details:

This project is one of six intersection projects initiated in CY 2009. Mallett Consulting Inc., the project manager, obtained three quotes for the work. Piedmont Paving provided the low bid for the work and they have successfully performed similar work and references have been check and are in good standing.

Improvements at this intersection include realigning Goza Road to eliminate the current offset and adding turn lanes on Antioch Road.

The recommended award amount reflects the sum of the base bid ($500,000.00), allowance for removal of unsuitable materials ($15,000.00), and an allowance for special conditions ($25,000.00).

The bid tabulation from Mallett Consulting is provided as back-up material for this agenda request.
