COUNTY AGENDA REQUEST

Department:	Public Works	Presenter(s):	Phil Mallon
Meeting Date:	Thursday, August 9, 2012	Type of Request:	Old Business

Wording for the Agenda:

Consideration of staff's recommendation to transmit a request to the Atlanta Regional Commission to reallocate PLAN 2040 federal funds from the West Fayetteville Bypass, Phase 3(FA-235C) to the East Fayetteville Bypass (FA-236A and FA-236B).

Background/History/Details:

PLAN 2040 is the document maintained by the Atlanta Regional Commission (ARC) that contains the Regional Transportation Plan (RTP) for the Atlanta region Transportation projects that impact air quality or have federal funding must be programmed in the RTP and delivered in accordance with the plan's implementation schedule.

The ARC is preparing a "Limited Update" to PLAN 2040 in the next few months. Updates are typically routine in nature, but the recent Transportation referendum may result in major changes to the document, and therefore the ARC is seeking input from local jurisdictions across the region on several projects. One project of concern for Fayette County is the West Fayetteville Bypass, Phase 3, which has up to $12.8 million dollars of long-range (2018-2030) federal aid.

This consideration was discussed at the June 6, 2012 Workshop, was discussed with individual Board members, and tabled at the July 26, 2012 Board of Commissioners meeting. This request is pertinent since the Transportation referendum failed (since the East Fayetteville Bypass (EFB) is fully funded through the Transportation Initiative Act, and is subject to approval from the ARC and the Board. The shift of funds is being considered since: 1) The EFB has insufficient funds; and 2) there seems to be consensus among the Board for a reduced scope for the WFB 3, which may not be compatible with design standards for federally aided projects.

What action are you seeking from the Board of Commissioners?

Approval of staff's recommendation to transmit a request to the Atlanta Regional Commission to reallocate PLAN 2040 federal funds from the West Fayetteville Bypass, Phase 3 (FA-235C) to the East Fayetteville Bypass (FA-236A and FA-236B)
