COUNTY DEPARTMENT AGENDA REQUEST

Department:	Fayette County Water System	Presenter(s):	Tony Parrott
Meeting Date:	Wednesday, April 7, 2010	Type of Request:	New Business

Wording for the Agenda:

Consideration of the Water Committee's recommendation to award the bid for repairs to Filter #6 at the South Fayette Water Treatment Plant to Rehab Construction Company in the amount of $101,000.

Background/History/Details:

The filters at the County's water plants are an integral part of the process of treating the water for the public. Filter #6 at South Fayette Water Treatment Plant needs repairs because the filter bottom lifted out of its anchorage and disrupted the filter media (sand and other materials) underneath the filter. The filter under-drain needs to be removed and replaced. Once this done, the filter media will also be replaced. The Water System has funds available in the Renewal & Extension Fund.

Eight companies submitted bids for this work. Staff evaluated all the bids and recommends the apparent low bidder, Rehab Construction Company. This bid was handled by the System's engineers, Mallett Consulting, Inc.

What action are you seeking from the Board of Commissioners?

Award of the bid to Rehab Construction Company in the amount of $101,000.

If this item requires funding, please describe:

Water System Renewal and Extension Fund
