Wording for the Agenda:

Presentation of a donation from “The Go Two Guys” to the Department of Fire and Emergency Services for the County's Alternative Teaching Methods Program.

Background/History/Details:

The Fayette County Fire and Emergency Services Department utilizes alternative teaching methods to promote Fire Safety Education to all age groups within the community. This program uses firefighters and other trained personnel who are dressed as clowns to gain the attention of the age groups and to relay the fire safety message.

As the Alternative Teaching Methods Program expands, additional funding is needed for equipment and supplies. "The Go Two Guys" has provided a $1,200.00 donation that will provide for smoke machines, wireless microphones, stage lighting, and costumes to aid in the presentation of the educational programs.

“The Go Two Guys” is a company that allows persons in need of various household repairs and upkeep services to find qualified, honest, and trustworthy companies and individuals to perform these services. All services are provided by off-duty firefighters that specialize in various trades.
