COUNTY AGENDA REQUEST

Department:	Public Works	Presenter(s):	Phil Mallon
Meeting Date:	Thursday, September 26, 2013	Type of Request:	Consent

Wording for the Agenda:

Approval of staff's recommendation to approve requested changes to the list of streets identified for resurfacing in the June 13, 2013 Intergovernmental Agreement between Fayette County and the Town of Tyrone.

Background/History/Details:

In June 2013, the Fayette County Board of Commissioners entered into an Intergovernmental Agreement (IGA) with the Town of Tyrone for the resurfacing of up to three miles of Tyrone streets per year. Under the IGA, Fayette County provides the equipment and labor for the work and Tyrone pays for the materials and road preparation. The IGA included an "Attachment A" that detailed an "initial priority list of streets" for Fiscal Years 2014, 2015, and 2016.

Recently, the Town of Tyrone obtained State Aid, and as a result the town would like to change the streets they would like to have resurfaced this year.

The revised Attachment A (attached) reflects the changes requested by the Town of Tyrone. This revised attachment also adds language allowing for staff approval of similar street changes in the future. The limit of three miles per year remains in place, unless authorized by the County Administrator.
