Department:	Water System	Presenter(s):	Tony Parrott
Meeting Date:	Thursday, February 14, 2013	Type of Request:	Consent

Wording for the Agenda:

Approval of the Water System Director's recommendation to award Bid #868- Water Distribution Parts, consisting of six contracts in an aggregate amount of $259,580.00, to six companies that were low bidders on items used by the Fayette County Water System for water distribution, and authorization for the Chairman to sign the contracts contingent upon the County Attorney's review.

Background/History/Details:

Items used by the Water System for repair and maintenance in distribution are purchased as needed. Quantities ordered vary depending on the need, so exact quantity cannot be predetermined. Enough stock is kept in inventory at the Distribution Shop to avoid water customers being without water for long periods of time when there is a main break that needs emergency repair. The six companies recommended for contracts are: Consolidated Pipe & Supply, Co. Inc., Delta Municipal Supply Co., Dublin Winnelson, Ferguson Waterworks, Hayes Pipe Supply, and H.D. Supply Waterworks. Page eleven (11) of Attachment A reflects each bidders proposed unit cost to each item requested in this solicitation.

Three year agreement language:
The term of this Agreement shall begin on the Effective Date and continue for a period of one year through December 31, 2013 (the "Initial Term"). Thereafter, this Agreement may be renewed by the County for two additional one year renewal terms (each a "Renewal Term" and together with the Initial Term, the "Term"), which renewal will be by letter or other written correspondence from the County to Contractor ninety (90) days prior to expiration of the Initial Term or the then current Renewal Term. If the County fails to provide notice of renewal, this Agreement will terminate at the end of the Initial Term or the then current Renewal Term. This Agreement is subject to the multi-year contractual provisions of O.C.G.A. 36-60-13(a).

RE: Award Recommendations for Bid #868 – Water Distribution Parts – 2013

I am recommending awarding Bid # 868 to six companies that were low bidders on items used by the Fayette County Water System for water distribution and repair:

Consolidated Pipe & Supply Co., Inc.
Delta Municipal Supply Co., Inc.
Dublin Winnelson
Ferguson Waterworks
Hayes Pipe Supply
H. D. Supply Waterworks

Attached is the low bid for each vendor. Line Item 34 had bids from two vendors with the same price and we recommend that it be awarded to Hayes Pipe Supply.

All of these items are used by the Water System for repair and maintenance and are purchased as needed. Quantities ordered vary depending on the need, so exact quantities cannot be predetermined. Our stock is kept up-to-date at the Distribution Shop to avoid customers being without water for long periods of time when there is a main break that needs emergency repair.

Subject: Bid #868 – Water Distribution Parts

The Water System maintains an inventory of repair and replacement parts to use as needed during year to keep the water distribution system working properly. As the parts are used, the inventory must be replenished. Invitation to Bid #868 was issued to establish prices for 225 such items for calendar year 2013.

Invitations were direct-mailed to 25 vendors. In addition, invitations were extended via the Fayette News, the county website, Georgia Local Government Access Marketplace (www.glga.org), and Channel 23. Six vendors responded to the invitation to bid. The Water System recommends that each item be awarded to the lowest bidder, which means that all six vendors would be awarded contracts (please see the attached spread sheet). The Purchasing Department supports their recommendations.
