Subject: Bid #814 – Water Distribution Parts

The Water System orders replacement parts as needed each year to keep the distribution system working properly. Invitation to Bid #814 was issued to establish prices for 225 items for calendar year 2012. Invitations were direct-mailed to 21 vendors. In addition, invitations were extended via a local newspaper, the county website, Georgia Local Government Access Marketplace (www.glga.org), and television Channel 23 in the usual manner.

Eight vendors responded to the invitation to bid. All eight vendors are recommended to supply various parts, as indicated on the attached tally sheet (recommended vendors are highlighted in yellow for each item). In each case, the vendor was chosen who provided the lowest price quote.

I concur with the Water System's recommendations.
