Background/History/Details:

Leadership Fayette, sponsored by the Fayette Chamber of Commerce, provides existing and emerging leaders with opportunities to enhance their civic knowledge of Fayette County, hone their leadership skills, and network with leaders across the community. For over 30 years, the program has helped participants better understand how our community works, build relationships with the region's current and future leaders, and be inspired to utilize their talents to serve the community. During Leadership Fayette 2014, participants learned about the interdependencies between sectors of the local economy, as well as the interrelationships of a variety of local issues.

Eight sessions were held between January and August 2014. Local, regional, and state leaders shared their knowledge and perspectives through presentations, interactive sessions, role plays, panel discussions, and hands-on activities. The class formats demonstrated real situations, challenges, and opportunities in Fayette County, and participants gained first-hand experience through behind-the-scenes tours of various public and private facilities.
