

EPD – Hazard Acknowledgement Form

Project Address - _____

Acknowledgement There Might Be Other Requirements for

Projects Involving Demolition, Renovation, Repair, Painting or Soil Disturbance

The undersigned hereby acknowledges that the issuance of this permit does not in any way imply or assure compliance with other applicable local, state or federal requirements or regulations. Those other requirements or regulations might include, **but are not limited to:**

- **State Licensure As a Contractor**
- **Asbestos Detection & Control**
- **Disturbance of Lead-Based Paint**
- **Freon Handling & Control**
- **Soil Disturbance & Erosion Control**
- **State or Federal Notifications For Asbestos Disturbance and / or Removal**
- **State or Federal Notifications For Demolitions**
- **Burning of Structures or Materials**
- **OSHA Rules For Worker Protection**

Owners, consultants, contractors, waste transporters, waste disposal sites and other involved parties can have significant liabilities for not complying with these requirements. There is no single source for finding out the requirements pertaining to these issues. The internet or a good consultant can often be very helpful. **Other helpful sources include:**

- Asbestos & Demolition Issues - U. S. EPA @404-562-9197
