

Rising Star Road Culvert Replacement

Fayette County, Georgia, June 4, 2018 The Rising Star Road Culvert Replacement project was initially scheduled to be complete in June 2018. However, due to unforeseen site conditions and heavy rains from the latest series of storms, the project completion date has been delayed until late August 2018.

Although the delay in the expected completion of the culvert is a disappointment, the County will provide updates on the progress at <http://www.fayettecountyga.gov/splost-2017/>.

Citizens are encouraged to visit the County's webpage and social media page to gain the latest updates on all 2017 SPLOST and projects.
