Old Business:

- Needs assessment: Darryl states that we should do the proposal in phases to get Phase 1 accomplished. This is the "survey" and the estimated costs are 6K. Darryl plans to attend September workshop with County Commissioners. Anita is checking to see if we can get on the agenda
- YAA's-board agrees to move policy manual workshop to October due to schedule conflicts.
- Wayne Robinson Memorial- a memorial for long time resident and administrator in the community was discussed and Anita will discuss with staff on best way to honor the request. A bench or plaque along the walking/jogging trail at McCurry Park is what was suggested by the commission.

New Business:

- Weather Procedure-new procedures from the county were distributed. Information will be changed in policy manual
