**Minutes:** June / May meeting minutes were approved.

**Public Comment:** No public comment.

**Old Business:**

**Rec. Commissioner Position:** We had 5 applications and 2 were appointed. (over a 6 month period) Parks and Rec. would like to have more input into the review process for each applicant next go around.

**New Business:**

**Kenwood Park:** Alice Jones spoke in regards to an aquatics center located in that area for all ages to have access. She sees a need for mature adults that are travelling elsewhere across the county. Mrs. Jones feels that this item should be on the Fayette County Radar. She is also willing to do some of the leg work in finding funding for an aquatic center. One of the great suggestions she brought up was the Community Development Block Grant Funds.

**Staff Reports:** Anita reported that:

- (1). Maintaining and upgrading Kiwanis Parks is proceeding.
- (2). Finished wall in Brooks.
- (3). Fixed erosion at McCurry Park.

**Board Reports:** None

No further business was dicussed.

Meeting over at 7:20PM
