## FLY FISHING SCHOOL

Fly Fishing School is not only for beginners, but it is the perfect place to start. This five hour school covers everything you need to know to get started from scratch. While attended by many who have never cast a rod, it is equally taken by seasoned fishermen who were self-taught and want to brush up on the basics. You'll enjoy the comfortable, relaxed style of instruction that allows you to learn at your own pace. It makes learning fly-fishing fun.

## PADDLE BOARD SAFETY CLASS

The **Quickstart Your Paddle Board** workshop is a brief introduction to paddling a paddle board. Students are presented with basic information on dressing, paddle safely, potential hazards, and simple rescues. A minimal paddle skill set is presented and practiced, allowing students to safely and comfortably maneuver on still water. All water rescue activities taught in this class will be performed on land due to no bodily contact with the water at Lake McIntosh. Some equipment is available for an additional fee. All participants are required to know how to swim.

## OCOEE RIVER RAFTING: MIDDLE OCOEE

The Middle Ocoee earns its title as "America's most-popular river trip" with continuous exciting rapids and big, splashy water. Many rafters consider the Ocoee's intensity and difficulty "just right," providing compelling river action but never becoming extreme. Highlights of the run (and there are many) include huge waves at Double Trouble, fast, frenzied currents at Tablesaw and the boat-drenching punch through Hell Hole rapid. A greatest hits collection of whitewater rapids, don't be surprised if everyone has a different favorite part.

Day: Saturday  
Date: July 8 **Course Code: 17460**  
Time: 10:00 a.m.  
Fee: \$75 (resident) \$112.50 (non-resident)
