YOUTH ASSOCIATION CONTACTS

Fayette County Youth Association Boards consist solely of volunteers who devote their time and efforts to offer the children in the county an opportunity to participate in organized sports. They depend on your participation, and without these volunteers, children may be turned away for lack of coaches. These associations are constantly in need of head and assistant coaches. If you would like to volunteer your time to assist with various responsibilities in a particular league, visit its Web site for the league coordinator or more information.

MISTAKES HAPPEN

Occasionally there may be an error in days, times, registration requirements, or fees in this brochure. When such errors do occur, our staff will do everything possible to correct the situation promptly. Thank you for your patience and understanding should these situations arise.

CLASS STATUS

Classes that do not attain the minimum enrollment will not be charged an administration fee. If a class or program is cancelled for insufficient enrollment, a refund or credit will be issued. The credit for the amount paid must be used for another program/class/trip and must be used by the end of the next brochure's offerings.

OUT-OF-COUNTY REGISTRATION

Recreation classes/programs/trips are open to out-of-county registrants on a space available basis. Out-of-county fees will reflect a 50% surcharge in addition to the printed fee.

FEES AND PAYMENTS

Payment of fees is required at the time of registration. After the second class, registration will be closed and no late registration will be accepted.

CONTACTS

Some programs listed in this brochure are administered by contracted individuals or clubs who use county facilities. If a contact name and phone number are listed, please call the individual to obtain more information.

LOST AND FOUND

Items left in any of the parks are turned in to the association concession stands or our offices. We will keep the item for two weeks and then donate them to a local charity if not claimed.

RISK INVOLVEMENT

Many of our programs involve strenuous activities and a certain degree of risk. Inquire with staff for further information regarding the amount of activity expected of participants and the risk, if any, normally associated with the program. By registering for an activity, the registrant acknowledges that he/she is aware of the risk, is physically capable of participating in the activity, and voluntarily accepts any risks involved.

INSURANCE

Individual accident and health insurance is not provided by the county for participants in our department programs.

SUPPLY LISTS

Some classes require a supply list that you will be given at the time of registration. Other classes may have supplies at the first class. Payment for these supplies is paid directly to the instructor.

Each class/program has a minimum and/or maximum age requirement. The participant must meet this age requirement within the duration of the class/program. Failure to adhere to these policies will result in loss of registration fee.

JOINT COOPERATIVE EFFORT

Fayette County Parks and Recreation Department works closely with Fayette County Board of Education and other Parks and Recreation Departments within the county. From time to time, functions may be co-sponsored in an effort to provide comprehensive activities/events for the entire community.

PROGRAMS

Nothing can kill a good program faster than waiting until the last minute to register. If you would like to participate in a program/trip/event, please REGISTER WELL IN ADVANCE of the registration deadline. At some point we must determine if enrollment is sufficient to hold the activity. If minimums are not met, we will cancel that program/trip/ event. There is a point when a program/trip/event must be modified or cancelled. All programs/trips/events require coordination in staffing, purchasing supplies, and transportation. Your cooperation will help us provide the best organization and administration of programs.

REFUNDS

See page 21 for information on FCPRD program refunds.

TRIPS

Regarding trips and charter bus trips that admission must be paid in advance, refunds will only be given if we can sell your space and ticket. No refunds for no-shows. Some of our trips have a waiting list, and if you cancel at the last minute or do not show, you may deprive someone else of being able to attend. Dates and times may be subject to change depending on the trip. Due to the economy, some trip locations adjust their open/close days after the brochure has been published. Arrive 15 minutes prior to departure time.

MindUP : MINDFULNESS FOR KIDS

Is your child struggling with anxiety? Is school or homework overwhelming for them? Are they struggling with emotions that get in the way of friendships and feeling comfortable in social settings? Do their strong emotions interfere with their everyday life?

MindUP <http://thehawnfoundation.org/mindup> is an evidenced based, social and emotional program built upon neuroscience, mindfulness and self-regulation.

Our brain is in charge of everything we do. Mindfulness practice can literally change the way the brain works. Practicing mindful activities, such as breath work, recognizing and labeling our emotions, and connecting with ourselves, helps us to stay more calm. Mindfulness helps us to recognize that split-second between when something happens to us and how we respond to it, so that we can choose to act in wiser ways.

Instruction includes games, stories and movement (the kids love their brain cups).
