QUICKSTART TENNIS

Is an exciting format for learning tennis developed by the United States Tennis Association. It is designed to bring kids/youth into the game by adapting the equipment, court dimensions and the scoring to the age, skill, and size of children just like other youth sports. Each class will include movement activities and progressive skill development to learn forehands, backhands, and serves in fun and exciting ways.

Youth Only: Bring a tennis racket to each class and bring an unopened can of tennis balls to the first class .
