**McCURRY PARK**  
**Fayette County, GA**

**Survey Date: April 8, 2003**

McCurry Park is the largest of the existing Fayette County recreation parks, being approximately 130 acres in size. This park is located east of the City of Fayetteville on McDonough Road. The primary feature of the park are the numerous athletic fields. In addition to the 15 soccer fields, the park includes 7 softball fields, 2 football fields, 4 playgrounds, 3 miles of walking/jogging trails, 1 running track, 1 rope climbing area, and 1 multi-use field. In addition to the active use area, the park has a large passive recreation area with 7 uncovered picnic tables, 4 covered tables and a large group shelter. Many of the picnic tables have barbeque grills available. 10 restroom facilities are located in the park.

McCurry Park is classified as a Regional Park due to the large number of athletic fields. Additionally, the large passive recreation area is common to a Regional Park.
