

# *Fayette Forward*

## *The Fayette County Comprehensive Transportation Plan*

# Public Information Session

## for final plan recommendations

### ***What is this Session for?***

Fayette County is finalizing its Comprehensive Transportation Plan. We have reached out to the public through three key workshop sessions, in December 2008, March 2009 and August 2009 and would like to present the results of our work to you. You are invited to come and share your comments and thoughts on the recommendations.

### ***How Do I Participate?***

Residents, business owners, land owners and those who work in the County can come to the session at 6:30 on March 30, 2010 to listen to the planning team discuss the plan process and our recommendations for transportation projects and to share their thoughts. There will be a presentation, but team members will also be available to speak to you individually if you have more specific questions.

### ***When and Where?***

**March 30, 2010**

6:30 pm to 8:00 pm

Fayette County Commission Chambers  
140 Stonewall Avenue  
Fayetteville, GA 30214

### ***Who Do I Contact With Questions?***

**Linda Hall**

Fayette County

770-320-6010
