

# **Fayette Forward**

*The Fayette County Comprehensive Transportation Plan*

## **Help Plan Your Future**

### **What is this Study for?**

Fayette County is currently in the process of identifying future transportation projects and needs your help! The County is hosting a week-long workshop to generate ideas and hear from the public.

### **How Do I Participate?**

Residents, business owners, land owners and interested citizens can participate in three ways.

**First**, you can attend public meetings where the consulting team will present information, gather ideas and report on the progress of the study.

**Second**, you can visit the design workshop (see schedule) when it is convenient for you. Appointments are not needed, and you can pick when you go to the design workshop. You can share your ideas for the area with the consulting team at the workshop.

**Third**, you can send your ideas to Fayette Forward in writing, by email or over the phone. You can also fill out an on-line survey at your convenience. Contact information is provided below.

### **Who Do I Contact With Questions?**

#### **Linda Hall**
