

# Pajama Story Time

## Thursdays at 7 p.m.

Put on your pjs and join us each Thursday for a family story time full of stories, songs, community connections, art and building. The story time is about 30 minutes long, but in the summer, we add an extra hour of fun with art, building and more! This program is for all ages. There will be something for everyone!

- June 6**                    **Kings, Queens, and Dragons, Oh My!**  
Stories followed by art-making.
- June 13**                   **Stories to Make You Dance!**  
We will have special guests from Reigning Victory Dance Academy use dance to tell us the story of Swan by Laurel Snyder. Ms. Ada will share one or two other dance stories and we will also dance to some of our favorite story time songs before having time to make art.
- June 20**                   **Stories of Neighborhood Friends**  
We will hear the tales of Charlie and Mouse by Laurel Snyder as well as other stories of neighborhood friends. After the stories we will pull out our building materials and see what we can create with legos, keva planks, magna tiles and more.
- June 27**                   No PJ Story Time
- July 11**                    **Magic of Poetry**  
We will hear stories in verse by Nikki Grimes and other authors and then have the chance to use art materials to create our own books of poetry.
- July 18**                    **Tail-Wagging Tales**  
After our stories you will have a chance to meet our community partners from Southern Conservation Trust and CAREing Paws and learn how they work with us to inspire reading.
- July 25**                    **Out of this World!**  
Stories followed by art, building and the chance to learn about fall programs at the library.
