2:30 p.m.	Story
2:45-4:00	Building Time
4:00 p.m.	Story
4:15-5:30 p.m.	Building Time

We will start by reading a book together and sharing some conversation. Story time will be focused on introducing children to great books from many different authors, genres and categories. After the story, we will have independent time to dive into our building materials. Our building materials are as much fun for grown-ups as they are for children, so this is some great fun to enjoy together!
