

Daniel Finds a Poem by Micha Archer

Community Poem Challenge

Daniel discovers a poem as he walks through a nature park. We would like to create our own community poem to share at our Picture Book Walk Finale on October 20. Here is how your family can participate:

1. Choose an animal you can see here in Georgia.
2. Decide how that animal would answer the question "What is a Poem?"
3. Write your answer in the style of *Daniel Finds a Poem*. (See example below.)
4. OPTIONAL: If you want, create a collage or picture of your animal and attach.
5. Submit this sheet to the children's department with a photo of your family OR email it to fcplchildren@gmail.com. Deadline for submissions to be included in our finale is October 13, 2018.

For example:
