Contract #2079-B: Annual Stone Contract

Each year the Road Department uses various sizes of stone aggregate for projects such as asphalt mixes, erosion, control, and other uses. Each year, the county enters into an annual price contract for purchases as needed.

The Purchasing Department issued Invitation to Bid #2079-B to establish prices for Fiscal Year 2023, with two options to renew at the same contracted prices, for a total of three years. Notice of the opportunity was emailed to four companies. Another 94 were contacted through the web-based Georgia Procurement Registry, who had registered under commodity codes #75035 (Crushed Stone, Including Rip Rap) and 75077 (Sand and Gravel). The offer was also advertised through Fayette News, Georgia Local Government Access Marketplace, the county website, and Channel 23.

Two vendors submitted quotes (Attachment 1). Because of the cost of hauling stone, typically only vendors with nearby quarries will compete for contracts.

The Road department recommends awarding to the lowest bidder Hanson Aggregates Southeast, LLC. A Contractor Performance Evaluation is attached for Hanson Aggregates' previous work (Attachment 2).

Specifics of the proposed contract are as follows:
