- i) Mrs. Shayne Robinson provided an update for Peachtree City PTC SPLOST projects. She stated the projects will be prioritized and given timelines for everything. As the money come in the projects will be initiated.
- ii) Jaimi Tapp, City of Tyrone, offered no updates today.
- iii) LaShawn Gardiner, City of Fayetteville provided a list of projects that included transportation. She mentioned 3 resurfacing projects, 1 roundabout, the multiuse bridge at the hospital and landscaping.
- iv) Gary Laggis for the City of Woolsey mention the cities one main project, but nothing in transportation.
- v) Ellen Walls, Town of Brook, reporting she is working with LMIG on the engineering and ROW requisitioning for Butler Rd which will be repaved in its entirety. The second project will use SPLOST money bring the sidewalks into downtown Brooks up to standard. Third is Julia Crossing will be taken from gravel to asphalt. The other three projects are on hold.
- vi) Carlos Christian covered the Fayette County projects. Starting with the Kenwood Rd school zone we will start the PE phase first with construct in the summer of 2018. The County projects are as listed in the SPLOST will be scheduled for work as the money permits.

**3. Sheriff's Department will share information on where the most vehicle accidents are occurring in the county. Safety improvements for the given locations will be discussed.**

This information is currently not available and the agenda item will be added to May 2 meeting.

**4. Discussion of future meeting with GDOT that will be at 2pm instead of 4pm.**

Phil Mallon has reached out to GDOT in hopes of meeting with them every quarter. The current proposed meeting dates are May, August and November. Mrs. Robinson made a motion that we move the meeting time from 4pm to 2pm when meeting with GDOT. Mrs. Ellen Walls seconded the motion. The motion passed 9-0-2 with Phil Mallon and Martin Sas being absent from the meeting.

**5. Discussion of agenda items for future meetings.**

Mrs. Robinson wants to coordinate Peachtree City project efforts with GDOT SR 54 widening project.

McDonough Rd widening project will be discussed in future meetings to give GDOT alternatives to their design layouts. A proposal of aligning the East Fayette Bypass with McDonough Rd at Countyline road maybe another option to discuss. A long discussion ensued.

**6. Resume prioritizing all projects across the county.**

Chairman Ognio inquired about the paving of Redwine Rd. Since the road crosses multiple municipalities' it's a prime example of how they can all work together to accomplish it. It was mentioned that Phil Mallon has a spreadsheet of all projects across the county. Mrs. Walls asked if the spreadsheet can be updated as projects progress. Mrs. Jaimi Tapp asked if vicinity maps could be created for the active projects.

**7. Review of the Fayette County SPLOST and the priority of the projects.**

This topic was previously reviewed with agenda item #2.

**8. Discussion of 2004 SPLOST funds.**

Mrs. Shayne Robinson wants to discuss the use of the 2004 SPLOST fund in future meetings. Mr. Carlos Christen advised that money is leftover but it is only available for projects that were listed on the initial SPLOST assignment. Mrs. Robinson asked if Mr. Rapson could be invited to a meeting to discuss the assigning of the funds.

**9. Other business.**

Mr. Christen spoke of the East Fayette Bypass EFB and moving it forward. There was an option of taking the project in phases or to completing it in entirety at once. The realignment of Corinth Rd sharp turn needs to be addressed. Also coordinating with GDOT the crossing of SR 54 and the changes they will make with the alignment of the road. Mrs. Walls asked for a proposed map of GDOT projects on McDonough Road and SR 54.
