**Subject: ITB 26050-B: Fayette Senior Center – Renovation & Construction
Addendum #3**

Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced **ITB**. You will need to consider this information when preparing your bid.

1. Per Note 9 on Sheet A-102, is the owner providing and installing the walk-in cooler and freezer? Is the GC simply responsible for coordinating this into the project?

The new walk-in cooler and freezer are in the GC scope of work. Please see the answer to Question 1 on Addendum 2.

2. Per Note 24 on Sheet A-102, is there a determination for a new generator and would it be possible to charge the generator as an alternate instead of adding it to the base bid. We would like to ensure all bids are priced as apples to apples.

Please exclude the provision of a new generator from your bid. The existing generator will be assessed by the successful GC once appointed.
