**Subject: RFQ # 26004-A: Pavement Markings  
Addendum #1**

Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced **RFQ**. You will need to consider this information when preparing your quote.

- 1. The quote due date has been changed to 3:00p.m., Monday, August 11, 2025.**
- 2. The previous year's bid included line items for Temporary Paint and this proposal does not. Per the included note, temp paint/Pre-lining is to be included in the cost of the Paint/Thermo. It is in the best interest of the County to add the Temporary paint line items back in and remove this note. The past has shown that the majority of the work performed in these contracts are re-stripe work that does not require any temporary striping.** Please see the attached revised Pricing Sheet with one price for temp paint & Thermo on new pavement and another price for remarking over existing Thermoplastic.

Note: If this addendum is not returned to the Fayette County Purchasing Department or if it is returned not signed, responding individuals, companies or other organizations will still be responsible for the requirements of this addendum and the specifications or changes herein.
