Brief discussion of birdhouse design and possible purchase of kits to build in conjunction with Girl Scouts. Info on the birdhouses will be provided.

Guyton discussed that the Girl Scouts would be happy to help out with the project. Godbee briefly mentioned that Boy Scouts Troop #71 approached her regarding the project as well. She also suggested that wooden posts may be the preferred choice due to some birdhouses being unable to be hung for various reasons. Guyton stated that he would reach out to the Girl Scouts Troops leader to find out how many bird kits the troops would be willing and able to handle. Cap reiterated the need of posts and appropriate height.

Holmgaard stated she would ask the senior community if they'd be willing to participate.
