July 25

2:30 p.m.

Skype Visit with Author Nikki Grimes

“Just The Facts” 30 minute Q&A program

Do you have a question you would like to ask Ms. Grimes about her work as an author?

Send your question to

ademlow@fayettecountyga.gov

with your name and age by July 18.

You will be contacted by July 24 if your question was chosen to be asked.

After our Skype visit

we will have ice pops on the lawn.

To help you get excited about these author visits we have a cart of their books available for checkout in the children's department. We will also be reading and exploring their works at story times and book clubs throughout the summer.

Children ages 3-13 can register for our Reading Challenge to dive deeper into these authors' works. This challenge is available on paper or through our new Beanstack reading challenge app. See our Summer Quest brochure for details.
