

Sing, Play, and Dance!

A program for babies, toddlers and preschoolers
Ages 0—5 years

Songs and Stories from Outer Space!

Mondays at 9:30 a.m. and 11 a.m.

Children's Department

June 3, 10, 17, 24, July 8, 15, 22

These fun-filled 30-minute sessions will include singing, dancing, stories, and rhymes for young children. We build early literacy with imagination and play. Each week we will sing many of the same songs so children can learn to sing and play along. Weekly stories bring fresh life to children's books related to our theme for the session. Join us this time as we celebrate stories and songs about stars, moons, planets and other things that are in outer space! Sessions are followed by a time of play and art. **No pre-registration required.**

Specific Dates for programs are listed on our monthly calendar available online and in the children's department. Check our calendar monthly to be sure a program will be held on the day you plan to come.

We cannot accommodate groups with more than 5 children from any one camp or day care program at our public programs. This includes bringing two groups of 5 with different leaders.
