Sing and Play In the Great Outdoors- Fall 2018

These fun-filled 30-minute sessions will include singing, dancing, stories, and rhymes for young children. We build early literacy with imagination and play. Each week we will sing many of the same songs so children can learn to sing and play along. Weekly stories bring fresh life to children's books related to our theme for the session. Join us this time as we explore the many things we might see if we took a walk out in nature. Sessions are followed by a time of art and play. **No pre-registration required.**

Specific Dates for programs are listed on our monthly calendar available online and in the children's department. Check our calendar monthly to be sure a program will be held on the day you plan to come.

We are unable to accommodate groups at our regularly scheduled programs. Group programs are scheduled as staffing and time allow, please contact Ada Demlow at 770-305-5351.

This program is a tie-in with our 2018 Picture Book Walk being held at the Ridge Nature area in partnership with the Southern Conservation Trust. *Kickoff is on September 22 at the Ridge Nature area from 11 a.m. – 1 p.m. We will have arts and crafts, food and our first walk through the story.*

Our programs are cell phone and texting-free.
