Subject: Invitation to Bid #1782-B: New Chiller for the Library

Gentlemen/Ladies:

Fayette County, Georgia invites you to submit a bid for a new chiller for the library. You are invited to submit a bid in accordance with the information contained herein.

A mandatory pre-bid conference will be held at 10:00am, Wednesday, March 18, 2020, at Fayette County Public Library, 1821 Heritage Park Way, Fayetteville, Ga. 30214. This will be an opportunity to take measurements, voice all questions, concerns and comments about this Invitation to Bid and have them addressed. Companies that attend will be invited to submit bids.

Questions concerning this invitation to bid should be addressed to Ted Crumbley, Buyer and Contracts Coordinator, in writing via email to tcrumbley@fayettecountyga.gov or fax to (770) 305-5208. Questions will be accepted until 3:00 pm on Tuesday, March 24, 2020.

Purchasing Department office hours are Monday through Friday 8:00 a.m. to 5:00 p.m. The office telephone number is (770) 305-5420.

Please return your bid to the following address:

Fayette County Purchasing Department
140 Stonewall Avenue West, Suite 204
Fayetteville, Georgia 30214

Bid Number: 1782-B
Bid Name: New Chiller for the Library

Your envelope *must* be sealed, and should show your company's name and address.

Bids will be received at the above address until 3:00 pm on Thursday, April 2, 2020 in the Purchasing Department, Suite 204. Bids will be opened at that time.

Bids must be signed to be considered. Late bids cannot be considered. Faxed bids or emailed bids cannot be considered.

If you download this invitation to bid from the county's web site, it will be your responsibility to check the web site for any addenda that might be issued for this solicitation. The county cannot not be responsible for a vendor not receiving information provided in any addendum.

Thank you for participating in the solicitation process.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ted L. Burgess", enclosed within a blue oval shape.

Ted L. Burgess
Director of Purchasing

Invitation to Bid #1782-B: New Chiller for the Library

GENERAL TERMS AND CONDITIONS

1. **Definitions:** The term “contractor” as used herein and elsewhere in these Terms and Conditions shall be used synonymously with the term “successful bidder.” The term “county” shall mean Fayette County, Georgia.
2. **Bid is Offer to Contract:** Each bid constitutes an offer to become legally bound to a contract with the county, incorporating the invitation to bid and the bidder’s bid. The binding offer includes compliance with all terms, conditions, special conditions, specifications, and requirements stated in the invitation to bid, except to the extent that a bidder takes written exception to such provisions. All such terms, conditions, special conditions, specifications, and requirements will form the basis of the contract. The bidder should take care to answer all questions and provide all requested information, and to note any exceptions in the bid submission. Failure to observe any of the instructions or conditions in this invitation to bid may result in rejection of the bid.
3. **Binding Offer:** Each bid shall constitute a firm offer that is binding for ninety (90) days from the date of the bid opening, unless the bidder takes exception to this provision in writing.
4. **Bidder’s Questions:** The Fayette County Purchasing Department must receive questions about this invitation to bid in writing by the date indicated in the invitation to bid cover letter. The county will post answers to questions and/or other information concerning the invitation to bid in the form of an addendum on the county’s website at www.fayettedcountyga.gov. It is the responsibility of the prospective bidder to check the website for any addenda issued for this invitation to bid.
5. **References:** Include with your bid a list of three (3) jobs that your company has done that are of the same or similar nature to the work described in this invitation to bid, on the form provided. Include all information as requested on the form.
6. **Bid Submission:** Submit your bid, along with any addenda issued by the county, in a sealed opaque envelope with the following information written on the outside of the envelope:
 - a. The bidder’s company name,
 - b. The bid number, which is #1782-B, and
 - c. The bid name, which is **New Chiller for the Library**

Mail or deliver one (1) original bid, signed in ink by a company official authorized to make a legal and binding offer, to:

Fayette County Purchasing Department
140 Stonewall Avenue West, Suite 204
Fayetteville, GA 30214
Attention: Contract Coordinator

You may submit bids in person, by U.S. mail, or by a commercial carrier. Do not submit bids by facsimile, e-mail, or other electronic means. Once submitted, all bids become the property of Fayette County. Late bids cannot be accepted.

7. **Bid Preparation Costs:** The bidder shall bear all costs associated with preparing the bid.
8. **Late Bids:** Bids not received by the time and date of the scheduled bid opening will not be considered, unless the delay is a result of action or inaction by the county.
9. **More than One Bid:** Do not submit alternate bids or options, unless requested or authorized by the county in the Invitation to Bid. If a responder submits more than one bid without being requested or authorized to do so, the county may disqualify the bids from that responder, at the county's option.
10. **Bid Corrections or Withdrawals:** The bidder may correct a mistake, or withdraw a bid, before the bid opening by sending written notification to the Director of Purchasing. Bids may be withdrawn after the bid opening only with written authorization from the Director of Purchasing.
11. **Defects or Irregularities in Bids:** The county reserves the right to waive any defect or irregularity in any bid received. In case of an error in extension of prices or totals in the bid, the unit prices shall govern.
12. **Prices Held Firm:** Prices quoted shall be firm for the period of the contract, unless otherwise specified in the bid. All prices for commodities, supplies, equipment, or other products shall be quoted FOB Destination, Fayette County or job site.
13. **Brand Name:** If items in this invitation for bid have been identified, described or referenced by a brand name or trade name description, such identification is intended to be descriptive, but not restrictive and is to indicate the quality and characteristics of products that may be offered. Alternative products may be considered for award if clearly identified in the bid. Items offered must meet required specifications and must be of a quality which will adequately serve the use and purpose for which intended.
14. **Bidder Substitutions:** Bidders offering substitutions or deviations from specifications stated in the invitation to bid, shall list such substitutions or deviations on the "Exceptions to Specifications" sheet provided, or on a separate sheet to be submitted with the bid. The absence of such list shall indicate that the bidder has taken no exception to the specifications. The evaluation of bids and the determination as to equality and acceptability of products or services offered shall be the responsibility of the county.

15. **Samples:** When the county requires samples as part of the bid and vendor selection process, bidders must provide requested samples within the time allotted, and at no cost to the county unless otherwise specified. Any goods provided under contract shall conform to the sample submitted. The county will return samples only at the bidder's request, and at the bidder's expense, if they are not destroyed by testing.
16. **Non-Collusion:** By responding to this invitation to bid, the bidder represents that the bid is not made in connection with any competing bidder, supplier, or service provider submitting a separate response to this invitation to bid, and is in all respects fair and without collusion or fraud.
17. **Bid Evaluation:** Award will be made to the lowest responsive, responsible bidder, taking into consideration payment terms, vendor qualifications and experience, quality, references, any exceptions listed, and/or other factors deemed relevant in making the award. The county may make such investigation as it deems necessary to determine the ability of the bidder to perform, and the bidder shall furnish to the county all information and data for this purpose as the county may request. The county reserves the right to reject any bid item, any bid, or all bids, and to re-advertise for bids.
18. **Payment Terms and Discounts:** The County's standard payment terms are Net 30. Any deviation from standard payment terms must be specified in the resulting contract, and both parties must agree on such deviation. Cash discounts offered will be a consideration in awarding the bid, but only if they give the county at least 15 days from receipt of invoice to pay. For taking discounts, time will be computed from the date of invoice acceptance by the County, or the date a correct invoice is received, whichever is the later date. Payment is deemed made, for the purpose of earning the discount, on the date of the check.
19. **Trade Secrets – Confidentiality:** If any person or entity submits a bid or proposal that contains trade secrets, an affidavit shall be included with the bid or proposal. The affidavit shall declare the specific included information which constitutes trade secrets. Any trade secrets must be either (1) placed in a separate envelope, clearly identified and marked as such, or (2) at a minimum, marked in the affidavit or an attached document explaining exactly where such information is, and otherwise marked, highlighted, or made plainly visible. See O.C.G.A. § 50-18-72 (A)(34).
20. **Trade Secrets – Internal Use:** In submitting a bid, the bidder agrees that the county may reveal any trade secret materials contained in the bid to all county staff and officials involved in the selection process, and to any outside consultant or other third parties who may assist in the selection process. The bidder agrees to hold harmless the county and each of its officers, employees, and agents from all costs, damages, and expenses incurred in connection with refusing to disclose any material which the bidder has designated as a trade secret.

21. **Ethics – Disclosure of Relationships:** Before a proposed contract in excess of \$10,000.00 is recommended for award to the Board of Commissioners or the County Administrator, or before the County renews, extends, or otherwise modifies a contract after it has been awarded, the contractor must disclose certain relationships with any County Commissioner or County Official, or their spouse, mother, father, grandparent, brother, sister, son or daughter related by blood, adoption, or marriage (including in-laws). A relationship that must be reported exists if any of these individuals is a director, officer, partner, or employee, or has a substantial financial interest in the business, as described in Fayette County Ordinance Chapter 2, Article IV, Division 3 (Code of Ethics).

If such relationship exists between your company and any individual mentioned above, relevant information must be presented in the form of a written letter to the Director of Purchasing. You must include the letter with any bid, proposal, or price quote you submit to the Purchasing Department.

In the event that a contractor fails to comply with this requirement, the County will take action as appropriate to the situation, which may include actions up to and including rejection of the bid or offer, cancellation of the contract in question, or debarment or suspension from award of a County contract for a period of up to three years.

22. **Contract Execution & Notice to Proceed:** After the Board of Commissioners makes an award, all required documents are received by the county, and the contract is fully executed with signature of both parties, the county will issue a written Notice to Proceed. The county shall not be liable for payment of any work done or any costs incurred by any bidder prior to the county issuing the Notice to Proceed.
23. **Unavailability of Funds:** This contract will terminate immediately and absolutely at such time as appropriated and otherwise unobligated funds are no longer available to satisfy the obligations of the county under the contract.
24. **Insurance:** The successful bidder shall procure and maintain the following insurance, to be in effect throughout the term of the contract, in at least the amounts and limits as follows:
- a. **General Liability Insurance:** \$1,000,000 combined single limit per occurrence, including bodily and personal injury, destruction of property, and contractual liability.
 - b. **Automobile Liability Insurance:** \$1,000,000 combined single limit each occurrence, including bodily injury and property damage liability.
 - c. **Worker's Compensation & Employer's Liability Insurance:** Workers Compensation as required by Georgia statute.

Before a contract with the successful bidder is executed, the successful bidder shall provide Certificates of Insurance for all required coverage. The successful offeror can provide the

Certificate of Insurance after award of the contract, but must be provided prior to execution of the contract document by both parties. The certificate shall list an additional insured as follows:

Fayette County, Georgia
140 Stonewall Avenue West
Fayetteville, GA 30214

25. **Bid Bond:** You must include a bid bond with your bid, equal to five percent (5%) of the total amount bid. Bid bonds shall be provided by a surety which appears on Georgia's list of approved sureties administered by the State Insurance Commissioner, or the U.S. Treasury's list of approved bond sureties (Circular 570).
26. **Performance and Payment Bonds:** Prior to execution of a contract, the successful bidder shall submit performance and payment bonds each equal to 100 percent of the contract value, provided by a surety which appears on Georgia's list of approved sureties administered by the State Insurance Commissioner, or the U.S. Treasury's list of approved bond sureties (Circular 570).
27. **Building Permits:** A Standalone Mechanical Permit with Electrical will be required. Work performed for the county requiring building permits by licensed contractors will not have permit fees assessed, although any re-inspection fees for disapproved inspections will be the responsibility of the contractor prior to final inspections and the Certificate of Occupancy or Certificate of Completion being issued.
28. **Unauthorized Performance:** The county will not compensate the contractor for work performed unless the work is authorized under the contract, as initially executed or as amended.
29. **Assignment of Contract:** Assignment of any contract resulting from this invitation to bid will not be authorized, except with express written authorization from the county.
30. **Indemnification:** The contractor shall defend, indemnify and save the county and all its officers, agents and employees harmless from all suits, actions, or other claims of any character, name and description brought for or on account of any damages, losses, or expenses to the extent caused by or resulting from the negligence, recklessness, or intentionally wrongful conduct of the contractor or other persons employed or utilized by the contractor in the performance of the contract. The contractor shall pay any judgment with cost which may be obtained against the county growing out of such damages, losses, or expenses.
31. **Severability:** The invalidity of one or more of the phrases, sentences, clauses or sections contained in the contract shall not affect the validity of the remaining portion of the contract. If any provision of the contract is held to be unenforceable, then both parties shall be relieved of all obligations arising under such provision to the extent that the provision is

unenforceable. In such case, the contract shall be deemed amended to the extent necessary to make it enforceable while preserving its intent.

32. **Delivery Failures:** If the contractor fails to deliver contracted goods or services within the time specified in the contract, or fails to replace rejected items in a timely manner, the county shall have authority to make open-market purchases of comparable goods or services. The county shall have the right to invoice the contractor for any excess expenses incurred, or deduct such amount from monies owed the contractor. Such purchases shall be deducted from contracted quantities.
33. **Substitution of Contracted Items:** The contractor shall be obligated to deliver products awarded in this contract in accordance with terms and conditions specified herein. If a contractor is unable to deliver the products under the contract, it shall be the contractor's responsibility to obtain prior approval of the ordering agency to deliver an acceptable substitute at the same price quoted in the contractor's original bid. In the event any contractor consistently needs to substitute or refuses to substitute products, the County reserves the right to terminate the contract or invoke the "Delivery Failures" clause stated herein.
34. **Termination for Cause:** The county may terminate the contract for cause by sending written notice to the contractor of the contractor's default in the performance of any term of this agreement. Termination shall be without prejudice to any of the county's rights or remedies by law.
35. **Termination for Convenience:** The county may terminate the contract for its convenience at any time with 10 days' written notice to the contractor. In the event of termination for convenience, the county will pay the contractor for services performed. The county will compensate partially completed performance based upon a signed statement of completion submitted by the contractor, which shall itemize each element of performance completed.
36. **Force Majeure:** Neither party shall be deemed to be in breach of the contract to the extent that performance of its obligations is delayed, restricted, or prevented by reason of any act of God, natural disaster, act of government, or any other act or condition beyond the reasonable control of the party in question.
37. **Governing Law:** This agreement shall be governed in accordance with the laws of the State of Georgia. The parties agree to submit to the jurisdiction in Georgia, and further agree that any cause of action arising under this agreement shall be required to be brought in the appropriate venue in Fayette County, Georgia.

SPECIFICATIONS

ITB #1782-B: NEW CHILLER FOR THE LIBRARY

INTRODUCTION

Fayette County is seeking bids from qualified contractors to remove the existing chiller and install a new air cooled chiller at the Fayette County library located at 1821 Heritage Parkway, Fayetteville, Georgia. Work is to include supplying a new chiller, removing the existing chiller and installing a new chiller that is BacNet MS/TP ready. The library is open 6-days a week and work will need to be done during the day when the library is open to the public or on Sunday when library is closed.

BACKGROUND

The existing 80-ton, 21 year old air cooled water chiller serving the Library is at the end of its useful life according to ASHRAE. This chiller has accumulated more than 180,000 +run hours and would present a major crisis should it fail before being replaced. Fayette County is taking a proactive approach to replace this chiller with a new one to avoid any kind of an unplanned outage. Staff operating the library and maintenance *staff* making repairs to the chiller would have more peace of mind knowing that a new, reliable chiller has been installed that will provide several more decades of uninterrupted service to those that patronize the library on a daily, weekly, monthly, etc. basis. Other benefits we hope to achieve with this new system is having more ready access to the R-410a refrigerant used on this system and improved efficiency.

SCOPE OF WORK

1. The contractor is to remove and dispose of the existing chiller and all connected lines, ductwork, Freon, etc. and replace with a new chiller.
2. Install a new Trane or equal 80-ton air Chiller.
3. Contractor to provide temporary storage of the new chiller at a remote yard until it is ready to be installed.
4. Contractor to provide onsite delivery and rigging services.

5. Contractor is to remove and reconnect chilled water piping and electrical service to the new chiller.
6. Contractor is to provide a new strainer at the chilled water intake.
7. Contractor is to re-insulate chilled water piping in affected areas.
8. Contract shall provide a new full-sized valved tee tap at each chiller to allow for temporary hook-up of an emergency chiller.
9. Contractor shall provide factory start-up of the chiller by the manufacturer.
10. The chiller shall meet the following specifications:
 - a. 80 ton Air Cooled Chiller
 - b. Refrigerant Type: R410A
 - c. Power: 460-3-60.0 Application
 - d. Non-fused Disconnect Switch w/lockable handle
 - e. TEAO Fan Motors
 - f. Low Sound Fans
 - g. 3/4 Inch thick insulation of evaporator
 - h. Service isolation Valves
 - i. Both low/high ambient kit
 - j. Louvered Enclosure Panels
 - k. WARRANTY: Provide the warranty on equipment and labor.
11. Contractor shall have a State of Georgia Mechanical (HVAC) License.
12. A Standalone Mechanical Permit with Electrical will be required.

TECHNICAL SPECIFICATIONS

H. GENERAL ELECTRICAL

GENERAL:

Contractor shall provide the following:

1. Labor.
2. Supplies.
3. Materials.
4. Shop Drawings.
5. Permits and inspection fees.
6. Certificate of final inspection and approval.
7. One year guarantee.

Contractor shall perform the following:

8. Installation of all electrical equipment.
9. Coordination with other trades of electrical equipment installation.
10. Material protection during construction.
11. Test of entire system in presence of owner or his representative and correct any deficiencies discovered.
12. Coordination of electrical service and metering with local power company.
13. Coordination of telephone service with local telecommunications company.

Governing codes shall be the following:

14. State of Georgia Amendments to the NEC 2020.
15. National Electrical Code (NEC) 2017.
16. Utility Company regulations.
17. Americans with Disabilities Act.
18. Current applicable building code.
19. Local building codes and ordinances.
20. Standard Building Code (SBC) 2018.
21. The National Manufacturer's Association Standards (NEMA).
22. Underwriter's Laboratories Incorporated Standards (UI).
23. American National Standard Institute (ANSI).
24. The manufacturer's recommendation.
25. International Mechanical Code - 2018.

Materials will be:

25. New.
26. U.L. Listed.

RACEWAYS

Use and type:

1. Service Entrance – rigid steel.
2. Feeders- rigid steel except above 8'-0" and indoor then
3. EMT. Branch circuit, telephone, or communication – EMT or
4. "MC" cable. In earth or concrete- schedule 40 PVC.
5. Recessed lighting fixtures- flexible steel conduit (short but maximum
6. 72"). Outdoor final connection to equipment or in wet locations- liquid-tight flexible steel conduit (maximum 36").
7. All raceways, unless specifically indicated to be exposed, shall be concealed in walls, ceiling, or floors. Support all conduit and boxes in accordance with the N.E.C. and any local code or regulation.
8. Paint all exposed raceways color as directed by the architect.

Conduit Bushings:

9. Provide insulated conduit bushing at each end of every conduit run.

WIRES AND CABLES, 600 VOLT

Color	<u>208Y/</u>
Coding:	<u>120V</u>
Phase A	Black
Phase B	Blue
Phase C	Red
Neutral	White
Ground	Green

Insulation: THHN, THWN, XHHW 75 degree C.

Fixture wire, 600 volt, 200 degree C. #14 AWG minimum, stranded, tinned copper with silicone rubber insulation and an overall jacket of glass braid, and rated at NEC type "SF-2".

Type MC cabling may be utilized for branch circuit wiring if acceptable to local jurisdiction having authority.

NOT USED.

Voltage drop will not exceed 2% for feeder and 3% for branch circuits.

BOXES

Attach securely to building construction or support from same. Masonry boxes shall be

RACO or Steel City.

Exposed boxes shall be cast type similar to Crouse Hinds type FS. All others shall be stamped steel.

Floor Boxes:

1. Provide stamped floor boxes with adjustable feature and brass cover plate. Provide number of gangs and devices indicated on drawings.

WIRING DEVICES

Receptacles: (color as directed by architect)

1. Duplex- 20Amp, 125VAC grounded.
2. Single- 20Amp, 125VAC grounded.
3. Receptacles on dedicated circuits shall utilize 20 amp, 125VAC, grounded type.

Wall Switches: (color as directed by architect)

4. Single Pole- 20Amp, 120/277V, single throw, quiet type, grounded.
5. Double Pole- 20Amp, 120/277V, single throw, quiet type, grounded.
6. Three Way- 20Amp, 120/277V, single throw, quiet type, grounded.
7. Four Way- 20Amp, 120/277V, single throw, quiet type, grounded.

Coverplates: provide finish and color directed by architect.

ELECTRICAL SERVICE

General

1. As shown on the drawings.

PANELBOARDS

Panelboard shall have, but not be limited to the following:

1. Three phase, 4 wire, or single phase, 3 wire, copper busses.
2. Ground bus with set screw connection.
3. Solid neutral, 100% rated with set screw connection.
4. Baked-on enamel trim.
5. Switch rated bolt-on breakers.
6. Typewritten directory.
7. Plaque, black with 1" high white letter to indicate panel name.
8. SquareD, Siemens, or G.E.

GROUNDING

Service Entrance

1. As shown on the drawings.

Feeders and branch circuits:

2. Provide a green insulated ground conductor, sized per the NEC, in each raceway and with all cabling.

LIGHTING FIXTURES

Coordinate fixture trims with ceiling in/on which it is being installed.

Provide low temperature, high efficiency electronic ballasts in fluorescent fixtures. Provide

thermal overload protection in both fluorescent and incandescent fixtures. Match voltage of

fixture to circuit to which fixture is shown connected. Narrative description in lighting

fixture schedule take precedence over catalog number.

EXISTING CONDITION

Visit site and become familiar with existing conditions in and around the building.

SAFETY SWITCH

Safety switches shall be heavy duty type, 600 volt, with number poles required. Fused safety switches shall be quick-make, quick-break mechanism, visible blades with rejection type fuse clip and NEMA class "RK" fuse; the switches shall be NEMA 1 enclosure for indoor, NEMA 3R for outdoor. All switches shall be lockable.

FIRE RATED SEALS

Provide fire rated seal per UL requirements, for each penetration of fire rated wall or each conduit or sleeve penetrating a fire rated floor or ceiling to maintain fire rating of floor, wall, or ceiling.
