Request for Proposals #1945-P
Business Personal Property Compliance Audits
Fayette County, Georgia

Fayette County Government requests qualified individuals and firms with experience in auditing Personal Property accounts for compliance to submit proposals for auditing services for the Fayette County Board of Tax Assessors (BTA).

I. INTRODUCTION

Fayette County intends to award one or more contracts pursuant to this RFP for the purpose of providing business personal property audit services. The contract shall be awarded on a per audit fixed-fee basis, with payment rendered upon completion of each audit. The contractor shall defend his or her audit findings throughout the appeals process. The audits performed will provide the BTA with sufficient information to verify the accuracy of business personal property tax reports filed or not filed by Fayette County business taxpayers for up to three years, as appropriate. The scope of services provided shall be consistent with the requirements of O.C.G.A. § 48-5-298, as amended, and the Georgia Appraisal Procedures Manual 560-11-10-.08, and in accordance with the policies and procedures adopted by the BTA.

II. STATEMENT OF WORK

The selected firm(s) will be required to perform, under the Chief Appraiser and Personal Property Division Manager's direction, ("Project Manager") at least the following tasks and services:

- A. Audits may be assigned as a large block of accounts at the beginning of each contract year. This will allow the auditing firm(s) the flexibility to schedule the audits accordingly and best utilize manpower and resources. The auditing firm shall in no way influence or participate in the selection of the accounts to be audited. The auditing firm shall in no way perform an audit on an account which is an entity with which the auditing firm has had a past business relationship outside the scope of the duties performed by the auditing firm under the attached Agreement or any previous agreement with the County. All audits assigned should be scheduled to allow for completion prior to the end of each contract year ending on June 30. Audits should be completed and results submitted to the BTA within ninety (90) days from date scheduled by the auditing firm(s). Exceptions must be submitted in writing to the Project Manager for approval with details of the reasons for delay, except for those exceptions initiated by the Project Manager.

- B. Accounts assigned for audit and cancelled at a later date because of bankruptcies, no longer in business, moved out of county, etc., shall be compensated at the staff hourly rate included in the proposal for actual time spent, up to a maximum of eight (8) hours per account. The charge must be supported with documentation such as time sheets, timecards, etc.
- C. The audits shall be conducted on business personal property accounts for the purpose of ad valorem taxation to ensure complete and accurate reporting. These services will include the examination of taxpayers' personal property tax reports and all supporting documents. The audit will confirm that all fixed assets, including machines and equipment, furniture and fixtures, inventories, and leased equipment are reported consistent with the regulations in effect for the year in which the assets are being reported.
- D. The auditing firm(s) will be responsible for scheduling appointments with taxpayers and/or their agents.
- E. The audits will be performed at the taxpayer's Fayette County location, or at the Fayette County BTA office. In addition to reviewing the taxpayer's records during the on-site visit, the auditor will complete a walk-through of the facilities to observe the operation and condition of the properties being reported. If the taxpayer's records are maintained at a location outside of Fayette County, the auditing firm(s) will make every effort to have the records, or certified copies, available at the Fayette County location at time of the audit, or at the Fayette County BTA office. If records cannot be produced in Fayette County or at the Fayette County BTA office, out of town travel plans must be approved in advance. Out of town travel expenses will be reimbursed according to Fayette County's travel policy in effect at the time out of town travel is approved. If out of town travel is combined for two or more audits, the reimbursed travel expenses will be allocated on a pro rata basis. The BTA may assign employees to accompany the auditor on audits and/or on-site visits as deemed appropriate.
- F. Upon completion of each audit, the auditing firm(s) will be responsible for computing the valuation of property arising from the audit, which may be subject to tax assessment for the audit period. All valuations will be determined by the application of BTA rules and regulations in effect for the year being audited. Standard BTA policy and appraisal methodology will be applied. All authority and final decisions remain with the BTA. The auditing firm(s) will not attempt to negotiate factual valuation disputes unless authorized by BTA management.
- G. The auditing firm(s) shall verbally discuss audit results with the taxpayer and/or their agent prior to submitting the final results in writing to the taxpayer and the BTA.

- H. The auditing firm(s) shall prepare all necessary correspondence in an electronic format using standard form letters approved by the BTA applicable to the services provided. The electronic formats will be forwarded to the BTA for printing and mailing. All written correspondence to taxpayers must be on BTA stationery and signed by the Personal Property Division Manager. The auditing firm(s) may assist the BTA in the preparation of other correspondence to taxpayers as deemed necessary by the Personal Property Division Manager. At no time will the auditing firm(s) have in its possession any BTA stationery, blank letterheads, or preprinted envelopes.
- I. The auditing firm(s) shall prepare and submit, at regularly scheduled monthly meetings separate detailed progress reports for "Audits - Outstanding" and "Audits - Completed". The "Audits – Outstanding" report should include, but not be limited to, the following items: taxpayers' name, account number, location address, contact name and phone number, date assigned, audit issues, findings, and outstanding issues. The "Audits – Completed" report should include all of the above with the addition of the final assessment based on the audited results as compared to original reported fair market values. Please include suggested examples with your proposal.
- J. The auditing firm(s) shall defend its audit findings at each step of the appeals process until a final settlement has been reached.
- K. The auditing firm(s) must commit to comply with a "Confidentiality Statement" (Attachment A, Exhibit A) and a "Conflict of Interest and Contingency Fee Statement" (Attachment A, Exhibit B), for the duration of the assigned audits.
- L. The auditing firm(s) agrees that all work performed will be in accordance with Generally Accepted Accounting Principles as adopted by the American Institute of Certified Public Accountants.

 - (1) The FMV will be the highest value reported by the taxpayer prior to the audit for any year selected for audited.
 - (2) The Account Class will be determined at the time the account is selected for audit and will not be adjusted as a result of the audit findings.
 - (3) Approved exemptions, such as Freeport for Inventory and Community Development Projects, will be added to the taxable FMV to determine the total value of the account for Account Class purposes.
 - c. An audit usually consists of the most current year and two (2) prior years. However, prior year financial records are not available in all cases for auditing purposes; therefore some audits consist of less than three (3) years.  - d. Price proposals should include proposed hourly fees for training, discovery of new & previously unreported taxpayers, and time spent on audits that may be cancelled prior to completion, if such services are requested by the county.

2. Company's background and experience	20
3. Project Team / Staffing Plan	15
4. Customer Service	<u>5</u>
