**Subject: ITB, #1947-B: Silver Leaf Drive Culvert Replacement
Addendum #1**

Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced Invitation to Bid. You will need to consider this information when preparing your bid.

1. Can the road be shut down with detour?

Yes. Silver Leaf Drive can be closed with an approved Traffic Control Plan per current MUTCD and GDOT standards and specifications.

2. Can power company move overhead power lines for access?

Georgia Power has been notified of the upcoming project, however it is the responsibility of the Contractor to coordinate utility relocation.

3. There is a water meter on the side of road that there isn't a house on can it be removed

The plans identify the water meter at 175 Silver Leaf Drive as the water meter that services 165 Silver Leaf Drive. See callout on Sheet C-103 for details.
