Subject: Invitation to Bid #1964-B: Roadway Striping

On April 8, 2021 the Board of Commissioners approved application for a Local Maintenance & Improvement (LMIG) grant from the Georgia Department of Transportation. A requirement for receipt of the grant is to have a contract in place by June 30, 2021 for use of the funds.

The Purchasing Department issued Invitation to Bid #1964-B: Roadway Striping to secure a contractor to restripe faded markings and replace or add raised pavement markers on various roads in Fayette County. The project includes a total of 44.62 miles on 22 roads.

Notice of the opportunity was emailed to 24 companies. Another 413 were contacted through the web-based Georgia Procurement Registry, who were registered under commodity codes # 91276 (Striping: Streets, Parking Facilities, Lane Divisions, Paint, etc.), #91375 (Maintenance and Repair, Parking Lot and Alley) and #96861 (Pavement Marking Services, Including Removal of Markings). The offer was also advertised through Fayette News, Georgia Local Government Access Marketplace, the county website, and Channel 23.

Five companies submitted bids (Attached). The Road Department recommends awarding the overall lowest responsive bidder Tidwell Traffic Solutions, Inc. in the amount of \$411,157.30. The County has not contracted with this vendor in the past, so a Contractor Performance Evaluation is not available. Three references were contacted, and all gave very favorable responses.

Since Due to the requirement to have an executed contract by the end of June, it is requested that this project be awarded to Tidwell Traffic Solutions at the June 10, 2021 meeting, in anticipation of budget funds being approved at the June 24, 2021 meeting.

Specifics of the proposed contract are as follows:
