Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced RFQ. You will need to consider this information when preparing your quote.

- 1. Is it the responsibility of the contractor to move the mulch after grinding?** No. After grinding the mulch should be put in wind rows. The county will move the mulch.
- 2. Are the contractor allowed to use the mulch?** Yes. The county only asks that you leave a pile for the residents.
- 3. What is the timeframe to respond to a grinding request?** The contractor shall schedule a grinding date before the current pile reaches 12 cubic yards. The county will notify the contractor with ample time to make an agreed upon grinding date.
