Subject: Request for Quotes #973-A: Water Distribution Parts

Each year, the Water System enters into annual price contracts for various repair or replacement parts to be ordered as needed for the water distribution process. To obtain agreements for Fiscal Year 2016, the Purchasing Department issued Request for Quotes #973-A. Notices of the opportunity to bid were emailed to 14 contractors. In addition, invitations were extended via the Fayette News, the county website, Georgia Local Government Access Marketplace (www.glga.org), and Channel 23.

Eight companies submitted bids, as shown in the attached spread sheet. Six of the eight submitted low prices for some of the parts. However, three vendors submitted low prices for only one item each. In order to gain administrative efficiencies, it is recommended that the three items in question be awarded to the next-lowest vendor. This will result in three fewer contracts, at a total net cost increase of \$204.40 as follows:

<u>Vendor</u>	<u>Low Bids</u>	<u>Recommended Contracts</u>
Consolidated Pipe & Supply	\$49,400.00	\$49,400.00
Delta Municipal Supply Co.	2,239.80	-0-

Kendall Supply, Inc.	<u>60,635.60</u>	<u>61,571.60</u>
Total	\$173,078.86	\$173,283.26
