Subject: P888: Water System Engineer of Record  
Task Orders FC015, FC021, & FC024

On September 26, 2013 the Board of Commissioners awarded a contract to CH2M Hill to serve as the Water System Engineer of Record. Three Task Orders have been recommended for execution, as follows:

- **Task Order FC015:** Assistance with the Invitation to Bid for the Fiscal Year 2017 contract for waterline extension services.
- **Task Order FC021:** Evaluation for possible acquisition of 5 private water distribution systems within residential subdivisions in the county, which use groundwater as their water source.
- **Task Order FC024:** Professional engineering services in support of design, evaluation, permitting, and field support services related to water system facilities operations.

Funds for Task Order FC021 were transferred in the Fiscal Year 2016 mid-year budget adjustments, as approved by the Board of Commissioners on February 25, 2016.

Specifics of the contract and task orders are as follows:
