Subject: Invitation for Bids #923-B Asphalt Milling Services

Gentlemen/Ladies:

Fayette County, Georgia is seeking bids from qualified contractors for an annual contract to provide asphalt milling services on various roads throughout Fayette County to be ordered as needed, in accordance with the information and specifications contained herein. Descriptive literature and all other required information shall be included with your bid. Any exceptions to the specifications shall be listed in the space provided. The term of this agreement shall begin on the effective date as set forth on the agreement page of the contract, and continue through June 30, 2016. Thereafter, this agreement may be renewed by the county for two additional one-year renewal terms (each a "Renewal Term" and together with the Initial Term, the "Term), which renewal will be by letter or other written correspondence from the county to the contractor ninety (90) days prior to expiration of the Initial Term or then then-current Renewal Term. If the county fails to provide notice of renewal, this Agreement will terminate at the end of the Initial Term or the then-current Renewal Term. This agreement is subject to the multi-year contractual provisions of O.C.G.A. 36-60-13(a).

All questions and inquiries concerning this invitation for bids or the specifications shall be addressed to Trina Barwicks, Contract Administrator of Purchasing, 140 Stonewall Avenue West, Suite 204, Fayetteville, Georgia 30214 from 8:00 a.m. to 5:00 p.m. The telephone number is (770) 305-5420 or email address tbarwicks@fayettecountyga.gov. Any deviations from this procedure for questions or information pertaining to this invitation for bids may result in your bid being rejected.

Your bid should be on the attached pricing sheet. All prices shall be F.O.B. Destination, Fayette County. Be sure to include the **bid number** and **reference** along with your company's name and address on the **sealed** envelope in which the bid is returned.

BID MUST BE SUBMITTED TO:
FAYETTE COUNTY PURCHASING DEPARTMENT
140 STONEWALL AVENUE WEST - SUITE 204
FAYETTEVILLE, GEORGIA 30214
BID #923-B
REFERENCE: ASPHALT MILLING SERVICES

January 30, 2015

Bids will be received at the above address until 3:00 p.m., Tuesday, February 17, 2015 in the Purchasing Department, Suite 204. Bids will be opened at approximately 3:00 p.m. February 17, 2015. Bids must be signed to be considered. Late bids will not be considered. Faxed bids will not be considered.

If this invitation for bids is downloaded from our web site, it is the responsibility of the individual or company that downloads this invitation for bids to continue to check the Fayette County web site for any addenda that might come out for this invitation for bids and is posted on the Fayette County web site. Fayette County shall not be responsible for any information that any individual or company fails to get in an addendum that is posted on the Fayette County web site but is not downloaded. However, if the Fayette County Purchasing Department mails the invitation for bids to a company or individual, we will keep a record of who we mailed that invitation for bids to and all addenda for that invitation for bids will also be mailed to those companies or individuals.

Bid results will be posted on the Fayette County web site within 3 business days after the bid opening.

There is no set time for an award to be made. If an award is not made within 45 days of the bid opening, an update will be posted on the Fayette County website.

If the county awards this bid, once everything has been received by that company and the award has been completed, that information will also be posted on the Fayette County website. Please keep this procedure in mind.

The County reserves the right to reject or accept any or all bids and to waive technicalities, informalities, and minor irregularities in bids received.

Sincerely,

Ted L. Burgess
Director of Purchasing

TLB/tcb

GENERAL TERMS AND CONDITIONS

1. **Definitions:** The term "contractor" as used herein and elsewhere in these specifications shall be used synonymously with the term "successful bidder." The term "county" shall mean Fayette County, Georgia.
2. **Bid is Offer to Contract:** Each bid constitutes an offer to become legally bound to a contract with the county, incorporating the invitation to bid and the bidder's bid. The binding offer includes compliance with all terms, conditions, special conditions, specifications, and requirements stated in the invitation to bid, except to the extent that a bidder takes written exception to such provisions. All such terms, conditions, special conditions, specifications, and requirements will form the basis of the contract. The bidder should take care to answer all questions and provide all requested information, and to note any exceptions in the bid submission. Failure to observe any of the instructions or conditions in this invitation to bid may result in rejection of the bid.
3. **Binding Offer:** Each bid shall constitute a firm offer that is binding for ninety (90) days from the date of the bid opening, unless the bidder takes exception to this provision in writing.
4. **Bidder's Questions:** The Fayette County Purchasing Department must receive questions about this invitation to bid in writing at least 72 hours before the scheduled bid opening, excluding Saturdays, Sundays, and holidays. The county will post answers to questions and/or other information concerning the invitation to bid in the form of an addendum on the county's website at www.fayettecountyga.gov. It is the responsibility of the prospective bidder to check the website for any addenda issued for this invitation to bid.
5. **References:** Include with your bid a list of three (3) jobs that your company has done that are of the same or similar nature to the work described in this invitation to bid, on the form provided. Include all information as requested on the form.
6. **Bid Submission:** Submit your bid, along with any addenda issued by the county, in a sealed opaque envelope with the following information written on the outside of the envelope:
 - a. The bidder's company name,
 - b. The bid number, which can be found in the cover letter to the invitation to bid document or on the web site, and
 - c. The "reference" which identifies the bid, which can be found in the cover letter or the web site.

Mail or deliver one (1) unbound original bid (paperclip or binder clip acceptable, no staples), signed in ink by a company official authorized to make a legal and binding offer, to:

Fayette County Government
Purchasing Department
140 Stonewall Avenue West, Suite 204
Fayetteville, GA 30214

Attention: Contracts Administrator

You may submit bids in person, by U.S. mail, or by a commercial carrier. Do not submit bids by facsimile, e-mail, or other electronic means. Once submitted, all bids become the property of Fayette County.

7. **Bid Preparation Costs:** The bidder shall bear all costs associated with preparing the bid.
8. **Late Bids:** Bids not received by the time and date of the scheduled bid opening will not be considered, unless the delay is a result of action or inaction by the county.
9. **Alternate Bids:** Do not submit alternate bids or options, unless requested or authorized by the county in the Invitation to Bid. If a responder submits more than one bid without being requested or authorized to do so, the county may disqualify the bids from that responder, at the county's option.
10. **Bid Corrections or Withdrawals:** The bidder may correct a mistake, or withdraw a bid, before the bid opening by sending written notification to the Director of Purchasing. Bids may be withdrawn after the bid opening only with written authorization from the Director of Purchasing.
11. **Defects or Irregularities in Bids:** The county reserves the right to waive any defect or irregularity in any bid received. In case of an error in extension of prices or totals in the bid, the unit prices shall govern.
12. **Prices Held Firm:** Prices quoted shall be firm for the period of the contract, unless otherwise specified in the bid. All prices for commodities, supplies, equipment, or other products shall be quoted FOB Destination, Fayette County or job site.
13. **Quantities are Estimates:** Quantities listed herein are estimates for the period specified. This will be an indefinite-quantity type contract, with county requirements fulfilled on an "as ordered" basis. No guarantee to purchase the amounts shown is intended or implied. The county reserves the right to order larger or smaller quantities at the prices stated in the bid of the successful bidder.
14. **Brand Name:** If items in this invitation for bid have been identified, described or referenced by a brand name or trade name description, such identification is intended to be descriptive, but not restrictive and is to indicate the quality and characteristics of products that may be offered. Alternative products may be considered for award if clearly identified in the bid. Items offered must meet required specifications and must be of a quality which will adequately serve the use and purpose for which intended.
15. **Bidder Substitutions:** Bidders offering substitutions or deviations from specifications stated in the invitation to bid, shall list such substitutions or deviations on the "Exceptions to Specifications" sheet provided, or on a separate sheet to be submitted with the bid. The absence of such list shall indicate that the bidder has taken no exception to the specifications. The evaluation of bids and the determination as to equality and acceptability of products or services offered shall be the responsibility of the county.
16. **Samples:** When the county requires samples as part of the bid and vendor selection process, bidders must provide requested samples within the time allotted, and at no cost to the county unless otherwise specified. Any goods provided under contract shall conform to the sample submitted. The county will return samples only at the bidder's request, and at the bidder's expense, if they are not destroyed by testing.
17. **Non-Collusion:** By responding to this invitation to bid, the bidder represents that the bid is not made in connection with any competing bidder, supplier, or service provider submitting a separate response to this invitation to bid, and is in all respects fair and without collusion or fraud.
18. **Arrears:** Bids will not be accepted from any person, firm, or corporation who is in arrears in any debt or obligation to Fayette County.

19. **Bid Evaluation:** Award will be made to the lowest responsive, responsible bidder, taking into consideration payment terms, vendor qualifications and experience, quality, references, any exceptions listed, and/or other factors deemed relevant in making the award. The county may make such investigation as it deems necessary to determine the ability of the bidder to perform, and the bidder shall furnish to the county all information and data for this purpose as the county may request. The county reserves the right to reject any bid item, any bid, or all bids, and to re-advertise for bids.
20. **Secondary Contracts:** The County may award a secondary contract to the responsive, responsible bidder making the second lowest bid. Considerations in selecting a secondary contract will be the same as for the primary contract.
21. **Discounts:** Cash discounts offered will be a consideration in awarding the bid, but only if they give the county at least 15 days from receipt of invoice to pay. For taking discounts, time will be computed from the date of acceptance at destination or the date a correct invoice is received, whichever is the later date. Payment is deemed made, for the purpose of earning the discount, on the date of the check. For payment of full invoice price, minimum terms of net 30 are preferred.
22. **Trade Secrets - Confidentiality:** A bid is a public record, except for material which qualifies as trade secret information. To keep this information confidential, a bidder must submit trade secret materials in a separate, sealed envelope marked "Trade Secret – Confidential and Proprietary Information – Do Not Disclose Except for the Purpose of Evaluating this Bid." Each page in the envelope should be stamped or otherwise marked designating it as trade secrets or confidential. Do not attempt to designate the entire bid as a trade secret, and do not attempt to designate pricing information as a trade secret, as doing so may result in your bid being disqualified. See O.C.G.A. 50-18-72 as amended by 2012 H.B. 397 for specific Georgia law on this subject.
23. **Trade Secrets – Internal Use:** In submitting a bid, the bidder agrees that the county may reveal any trade secret materials contained in the bid to all county staff and officials involved in the selection process, and to any outside consultant or other third parties who may assist in the selection process. The bidder agrees to hold harmless the county and each of its officers, employees, and agents from all costs, damages, and expenses incurred in connection with refusing to disclose any material which the bidder has designated as a trade secret.
24. **Contract Execution & Notice to Proceed:** After the Board of Commissioners makes an award, all required documents are received by the county, and the contract is fully executed with signature of both parties, the county will issue a written Notice to Proceed. The county shall not be liable for payment of any work done or any costs incurred by any bidder prior to the county issuing the Notice to Proceed.
25. **Term of Contract:** The term of this agreement shall begin on the effective date as set forth on the agreement page of the contract, and continue through June 30, 2016. Thereafter, this agreement may be renewed by the county for two additional one-year renewal terms (each a "Renewal Term" and together with the Initial Term, the "Term"), which renewal will be by letter or other written correspondence from the county to the contractor ninety (90) days prior to expiration of the Initial Term or the then-current Renewal Term. If the county fails to provide notice of renewal, this Agreement will terminate at the end of the Initial Term or the then-current Renewal Term. This agreement is subject to the multi-year contractual provisions of O.C.G.A. 36-60-13(a).

26. **Insurance:** The successful bidder shall, without expense to the county, carry the following insurance, to be in effect throughout the term of the contract, in at least the amounts and limits as follows:

- a. **General Liability Insurance:** \$1,000,000 combined single limit per occurrence, including bodily and personal injury, destruction of property, and contractual liability.
- b. **Automobile Liability Insurance:** \$1,000,000 combined single limit each occurrence, including bodily injury and property damage liability.
- c. **Worker's Compensation & Employer's Liability Insurance:** Workers Compensation as required by Georgia statute.

Before a contract with the successful bidder is executed, the successful bidder shall provide Certificates of Insurance for all required coverage. The certificate shall list an additional insured as follows:

Fayette County Board of Commissioners
140 Stonewall Avenue West
Fayetteville, GA 30214

27. **Unauthorized Performance:** The County will not compensate the contractor for work performed unless the work is authorized under the contract, as initially executed or as amended.
28. **Assignment of Contract:** Assignment of any contract resulting from this invitation to bid will not be authorized.
29. **Indemnification:** The successful bidder shall defend and indemnify the county and all its officers, agents and employees against any suits, actions, or other claims brought on account of any injuries or damages to any person, persons, or property resulting from any negligent act or fault of the successful bidder, or of any agent, employee, subcontractor or supplier in the performance of any contract which may be awarded. The successful bidder shall pay any judgment with cost which may be obtained against the county growing out of such injury or damages.
30. **Patent Indemnity:** The contractor guarantees to save the county, its agents, officers, or employees harmless from liability of any nature or kind for use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, for which the contractor is not the patentee, assignee or licensee.
31. **Severability:** The invalidity of one or more of the phrases, sentences, clauses or sections contained in the contract shall not affect the validity of the remaining portion of the contract. If any provision of the contract is held to be unenforceable, then both parties shall be relieved of all obligations arising under such provision to the extent that the provision is unenforceable. In such case, the contract shall be deemed amended to the extent necessary to make it enforceable while preserving its intent.
32. **Delivery Failures:** If the contractor fails to deliver contracted goods or services within the time specified in the contract, or fails to replace rejected items in a timely manner, the county shall have authority to make open-market purchases of comparable goods or services. The county shall have the right to invoice the contractor for any excess expenses incurred, or deduct such amount from monies owed the contractor. Such purchases shall be deducted from contracted quantities.

33. **Substitution of Contracted Items:** The contractor shall be obligated to deliver products awarded in this contract in accordance with terms and conditions specified herein. If a contractor is unable to deliver the products under the contract, it shall be the contractor's responsibility to obtain prior approval of the ordering agency to deliver an acceptable substitute at the same price quoted in the contractor's original bid. In the event any contractor consistently needs to substitute or refuses to substitute products, the County reserves the right to terminate the contract or invoke the "Delivery Failures" clause stated herein.
34. **Inspection and Acceptance of Deliveries:** The county reserves the right to inspect all goods and products delivered. The county will decide whether to accept or reject items delivered. The inspection shall be conclusive except with respect to latent defects, fraud, or such gross mistakes as shall amount to fraud. Final inspection resulting in acceptance or rejection of the products will be made as soon as practicable, but failure to inspect shall not be construed as a waiver by the county to claim reimbursement or damages for such products which are later found to be in non-conformance with specifications. Should public necessity demand it, the county reserves the right to use or consume articles delivered which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Director.
35. **Termination for Cause:** The County may terminate the contract for cause by sending written notice to the contractor of the contractor's default in the performance of any term of this agreement. Termination shall be without prejudice to any of the county's rights or remedies by law.
36. **Termination for Convenience:** The County may terminate the contract for its convenience at any time with 30 days' written notice to the contractor. In the event of termination for convenience, the county will pay the contractor for services performed. The county will compensate partially completed performance based upon a signed statement of completion submitted by the contractor, which shall itemize each element of performance completed.
37. **Bid Bond:** You must include a bid bond equal to five percent (5%) of the total amount bid. Bid bonds shall be provided by a surety which appears on Georgia's list of approved sureties administered by the State Insurance Commissioner, or the U.S. Treasury's list of approved bond sureties (Circular 570).
38. **Performance and Payment Bonds:** Bids shall include a letter stating that the bidder can and will provide performance and payment bonds, each equal to 100 percent of the contract value, upon being awarded the contract. Prior to execution of a contract, the successful bidder shall submit the bonds to the county, provided by a surety which appears on Georgia's list of approved sureties administered by the State Insurance Commissioner, or the U.S. Treasury's list of approved bond sureties (Circular 570).

My Commission Expires:

ANNUAL CONTRACT FOR ASPHALT MILLING SERVICES

INTRODUCTION

Fayette County is soliciting bids from contractors to provide asphalt services on various County roads at locations within Fayette County. The contract resulting from this invitation to bid will allow Fayette County to obtain asphalt milling services on an as-needed basis throughout the contract period.

A. PROJECT DESCRIPTION

Two types of milling projects are anticipated:

Street milling: This milling work is done inside residential subdivisions on curbed streets. Milling will typically be for the purpose of removing excess asphalt above the curb line prior to resurfacing and/or to improve the crown of the street. The work may include limited areas that need to be milled for patching. This work will be variable depth milling but generally 1"-3" in depth. The intent is to have the final milled surface to be approximately 1 inch below the curb line. The County will be responsible for providing the clean-up. Millings will be hauled away by County trucks.

Milling for patching: This work involves milling sections of road to facilitate patching. Typically this milling is 2" to 4" in depth but may be greater if conditions warrant. Millings will be hauled away by County trucks. Patching will immediately follow milling operations and will be performed by County forces.

In most cases, the County will immediately follow the milling operations with an asphalt overlay. It is undesirable for the milling contractor to be significantly ahead of the County's work progress. The scheduling of milling operations is an important part of this work.

The County will inspect the work periodically as it progresses.

B. REFERENCES

The successful bidder must have verifiable experience in performing this type work. The County expects all bidders to provide references that will document to the County's satisfaction the following:

- The contractor must have adequate technical experience to perform the work required. The contractor must have a satisfactory record of performance.
- The contractor must have adequate personnel and the appropriate equipment to perform the work. A 6-foot wide milling machine is generally the most common size used in this work. Smaller sizes may be needed in certain situations.
- The contractor must be able to work within an agreed-to schedule.

Fayette County reserves the right to reject any bid if the bidder fails to satisfy the County that the bidder is properly qualified and/or equipped to carry out the obligations of the Contract. This is an Invitation to Bid and the received bids will not be ranked by these criteria, rather the information will be reviewed and simply determined to be adequate or inadequate.

C. COMMUNICATION

The County will provide the contractor with a specific point of contact. Likewise, the contractor shall identify a specific point of contact.

D. INSURANCE REQUIREMENTS

The successful bidder shall have at least minimum insurance coverage and show proof of said insurance, as required elsewhere in this bid document.

E. PROSECUTION AND PROGRESS

The County will contact the successful bidder to coordinate and schedule milling services. If the County and the primary contractor are unable to develop a mutually agreeable schedule for work the County reserves the right to use the secondary vendor. After reaching an agreement on a work progress schedule, the County will issue a written Notice to Proceed (NTP).

The normal workday for this project shall be 8:00 AM to 5:00 PM and the normal work week shall be Monday through Friday. The County will consider alternative days and hours upon written request on a case by case basis.

F. UTILITIES

The County shall be responsible for obtaining all utility locates prior to the start of work at any location. The milling contractor shall be prepared to work around existing utility valves and manhole covers. Any valve covers, manhole lids or other utility service that is damaged is the responsibility of milling contractor to repair to the satisfaction of the respective utility owner.

G. TRAFFIC CONTROL

The County will be the responsible party for the traffic control on milling projects as long as the Contractor does not significantly work ahead of the County's paving progress.

As an option, the County can elect to have the Contractor be responsible for traffic control of the milling operation at an hourly cost. Under this option the contractor shall furnish, install and maintain all necessary and required barricades, signs, and other traffic control devices in accordance with the Manual on Uniform Traffic Control Devices (MUTCD) and take all necessary precautions for the protection of the workers and the safety of the public. All traffic control devices shall remain the property of the contractor. Traffic whose origin and destination is within the limits of the project shall be provided access at all times unless otherwise specified by the County. This access includes entrances and exits via driveways at various properties, and access to the intersecting roads and streets. The Contractor shall maintain sufficient personnel and equipment (including certified flaggers and traffic control signing) on the roadway at all times, particularly during inclement weather, to insure that access is safely provided when and where needed.

All existing signs, markers and traffic control devices affected by the milling operations will be reinstalled or replaced at the Contractor's expense. At no time will the Contractor remove regulatory signing which may cause a hazard to the public.

H. TECHNICAL SPECIFICATIONS

Unless noted otherwise in these specifications, all equipment and workmanship associated with this project shall meet Georgia Department of Transportation Standard Specifications section 432.02 and 432.3.05. The milling equipment shall be of a size appropriate to the individual task.

The depth of milling throughout the task will be variable. The desired elevation of the milled pavement shall be as specified by the County inspector. Milling from the gutter to the centerline of road shall result in an approximate 2% crown except where the road is superelevated. In superelevated sections milling shall match the superelevation cross slope. If existing asphalt paving extends into the gutters, the Contractor shall remove this asphalt. NOTE: It may be appropriate to use "edge milling" (milling of the outside 4 to 8 feet only) on some streets to correct improper crown or for other construction reasons. The County inspector will determine when edge milling is appropriate. When edge milling is specified, the Contractor will be paid the contract unit price for areas actually milled.

The milling operation shall provide a pavement surface that is true to line, grade and cross-section and of uniform surface texture.

I. CLEANUP AND SITE RESTORATION

The County shall be responsible for clean-up and removal of material generated as a result of this work.

As an option, the County can elect to have the Contractor perform clean-up operations at an hourly cost. With this option the contractor is responsible for all activities involved in clean-up work with the County supplying the dump trucks, drivers and disposal site. Clean-up work shall be performed immediately after a street is milled. Sweeping debris into gutters or sides of roads is not acceptable. All loose debris shall be removed from the project area and disposed of in a legal manner. Work will not be allowed to proceed and progress payments will be with-held until cleanup has been completed as directed by the County. If an inspection reveals that the Contractor has failed to clean up after his work has been performed, the County will notify the Contractor of the deficiency and the Contractor will have twenty-four (24) hours to make the correction. Should the Contractor still fail to clean the area, the County reserves the right to stop all further work and make other arrangements to have the area cleaned. The County shall deduct the cost of cleaning from the Contractor's invoice.

As an option, the County is also requesting an hourly rate for the Contractor to supply a Vacuum Sweeper Truck that can be used to assist with cleaning being performed by the County only. There will be a minimum of 4 hours per NTP and the hourly cost shall include any mobilization or incidental costs for the vacuum truck. The proposed vacuum truck specifications will need to be attached to this bid for the County's review.

J. PROPERTY DAMAGE

The Contractor shall be responsible for repairing any damage to existing curbs, gutters, driveways, mailboxes, lawns, etc caused by the Contractor's operations at no additional cost to the County.

The Contractor shall not turn around in or disturb in any manner any privately owned driveway.

K. SAFETY

Beginning with mobilization and ending with acceptance of work, the Contractor shall be responsible for providing a safe work environment at the project site. The Contractor shall comply with all OSHA regulations as they pertain to this project.

L. INVOICES

The following information must be included on all invoices:

- Fayette County's bid number;
- A date indicating when the work was performed;
- Name of the street where the work was performed;
- Mobilization charge if applicable;
- Amount of work performed on each street expressed in square yards of milled area (if street milling) or hours worked (if milling for patching);
- A total cost for each street;
- The grand total invoice amount;

M. MOBILIZATION FOR MILLING

An initial mobilization charge will be allowed per notice to proceed to get the equipment to the job site. If the roads to be milled are within walking distance, no additional mobilization charge will be allowed. Walking distance is defined as 0.5 (one-half) miles or less between roads. However, if there is a road to be milled that is more than walking distance of one-half mile, an additional mobilization charge will be allowed per notice to proceed. After the initial mobilization charge, the number of additional mobilization charges per notice to proceed will be capped at two.

N. BOBCAT ATTACHMENT MILLING

The County is requesting a price quote as part of this annual contract for the rental use of a skid steer (or similar piece of equipment) with a milling attachment to perform small milling projects outside of the intent of the rest of this contract. This price will be hourly and include an operator supplied by the Contractor and mobilization.
